

Campaign Finance Reporting System- Vendor Selected

Issuing Agency:	State Board of Elections
Solicitation Description:	The North Carolina State Board of Elections (SBE) seeks proposals from vendors for a modernized campaign finance reporting system that is secure, cloud-based, and improves the user experience. The modernized system shall ensure prompt access to data and make it easier for the public to search, understand, and track reported political spending over elections, election cycles, and calendar years.
Date:	August 20, 2026
Purchasing Agent:	Lisa Berot-Marlowe

Vendor Selected:

On Thursday, August 20, 2026, the North Carolina State Board of Elections announced the selection of a vendor to replace the state's aging campaign finance reporting system, with ReFrame Solutions selected as the winning bid for the \$2.2 million contract.
