Independent Auditor's Report

To Board Members of
Buncombe County Partnership for Children, Inc.
Asheville, North Carolina

Report on Financial Statements

We have audited the accompanying financial statements of Buncombe County Partnership for Children, Inc. which comprise the Statement of Receipts, Expenditures, and Net Assets - Modified Cash Basis as of and for the year ended June 30, 2014, and the related Statement of Functional Expenditures - Modified Cash Basis for the year then ended, and the related notes to the financial statements.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the Statement of Receipts, Expenditures and Net Assets of the Buncombe County Partnership for Children, Inc., as of and for the year ended June 30, 2014, and the Statement of Functional Expenditures for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

Other Matter

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Schedule 2 on page 19 is not a required part of the basic financial statements but is supplementary information required by the North Carolina Office of the State Auditor. In accordance with auditing standards generally accepted in the United States of America, we have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion or provide any assurance on Schedule 2.

Our audit was conducted for the purpose of forming an opinion on the financial statements of Buncombe County Partnership for Children, Inc.. The accompanying supplementary Schedules 1, 3, 4 and 5 are also presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 2, 2015, on our consideration of Buncombe County Partnership for Children, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Buncombe County Partnership for Children, Inc.'s internal control over financial reporting and compliance.

BUNCOMBE COUNTY PARTNERSHIP FOR CHILDREN, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2014

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose - The Buncombe County Partnership for Children, Inc. (Buncombe County Partnership) is a legally separate nonprofit organization incorporated on October 6, 1995. The Buncombe County Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Buncombe County Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.

B. Basis of Presentation - The accompanying financial statements present all funds for which the Buncombe County Partnership's Board of Directors is responsible. Pursuant to the provisions of the Financial Accounting Standards Board's accounting standards for not-for-profit entities, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the standards, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

Contributions that are temporarily restricted and not expended within the year received are reported as an increase in temporarily restricted net assets. When the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Receipts, Expenditures, and Net Assets as net assets released from restrictions.

The Buncombe County Partnership did not have any permanently restricted net assets at June 30, 2014.

C. Basis of Accounting - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. In addition, amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. Additionally, Smart Start funds advanced to the Local Partnership that are unexpended and unearned at year end are recorded as funds Due to the State.

- D. Cash and Cash Equivalents** - This classification appears on the Statement of Receipts, Expenditures, and Net Assets - Modified Cash Basis and includes all demand and savings accounts and certificates of deposit and other short-term investments with an original maturity of three months or less.
- E. Due to the State** - The funding provided by the State of North Carolina for the Smart Start Initiative is funded on a cost-reimbursement basis. The money is earned to the extent of allowable costs incurred. Any unexpended funds as of June 30 are required to be reverted to The North Carolina Partnership for Children, Inc. to be returned to the State of North Carolina.
- F. Funds Held For Others** - Funds Held for Others includes amounts received that are fiduciary in nature in which the Buncombe County Partnership acts in an agency capacity. For the year ended June 30, 2014, the Buncombe County Partnership was holding amounts withheld from employee paychecks in the amount of \$126 for contributions payable.
- G. Property and Equipment** - Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year incurred. However, Buncombe County Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 4 of this report. The Buncombe County Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2014.
- H. Compensated Absences** - As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 9.

- I. **Use of Estimates** - The preparation of financial statements in conformity with the modified cash basis of accounting used by the Buncombe County Partnership requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.

- J. **Qualifying Match and Contributions In-Kind** – The Buncombe County Partnership, in accordance with applicable Smart Start legislation, reports qualifying match provided at both the Partnership and the contractor level; the qualifying match is reported in supplemental Schedule 5. The match includes cash received and expended at the Partnership level, which is included in the modified cash basis financial statements. The qualifying match reported on Schedule 5 for cash provided at the contractor level and for in-kind goods and services at both the Partnership and contractor levels is not recorded in the modified cash basis financial statements. In-kind contributions could be donated equipment, supplies, office space, or services. The Buncombe County Partnership also benefits from donor volunteer hours which do not require specific expertise but which are nonetheless central to the Buncombe County Partnership's operations. See supplemental Schedule 5 for more information on contributions in-kind.

NOTE 2 - DEPOSITS

All funds of the Buncombe County Partnership are deposited with a commercial bank and insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000.

Deposits over insured amounts subject the Buncombe County Partnership to a concentration of credit risk. At June 30, 2014, the Buncombe County Partnership's bank deposits in excess of the FDIC insured limit was \$326,654.

NOTE 3 - FUNDING FROM GRANT AWARDS AND CONTRACTS

Smart Start Program - The Buncombe County Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Buncombe County Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Buncombe County Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the North Carolina Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Buncombe County Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Buncombe County Partnership was awarded and has received \$1,477,522 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. The Buncombe County Partnership has refunded \$2,736 of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2014.

The Buncombe County Partnership expects to receive continued funding through new Smart Start contracts with the State.

NC Pre-K - The Buncombe County Partnership also received revenue and support from the State of North Carolina for the NC Pre-K program. The Buncombe County Partnership was awarded and received \$1,563,534 under a current year financial assistance contract.

The Buncombe County Partnership expects to receive continued funding through new NC Pre-K contracts with the State.

Buncombe County Grant Funding - The Buncombe County Partnership also received revenue and support from Buncombe County for the child care resource and referral program. The Buncombe County Partnership was awarded and received \$153,000 under a current year financial assistance contract.

The Buncombe County Partnership expects to receive continued funding through new contracts with the county.

Federal Grant Funding - The Buncombe County Partnership also received revenue and support from a federal grant through a contract with the Southwestern Child Development Commission, Inc. to support their child care resource and referral activity. The Buncombe County Partnership was awarded and received \$42,275 under a current year financial assistance contract.

The Buncombe County Partnership expects to receive continued funding for their child care resource and referral activity through new or amended contracts with the Southwestern Child Development Commission, Inc.

NOTE 4 - RELATED PARTY TRANSACTIONS

Service Provider Contracts with Board Member Organizations - The board members of the Buncombe County Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Buncombe County Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Buncombe County Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Buncombe County Partnership's Smart Start allocation.

NOTE 5 - FUNCTIONAL EXPENDITURES

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Receipts, Expenditures, and Net Assets - Modified Cash Basis. Also, the Statement of Functional Expenditures - Modified Cash Basis, provides detail of the functional costs by their natural classification. Following are the services associated with the functional categories presented in the accompanying financial statements and the methods utilized to allocate joint cost:

A. Program Functions

Child Care and Education Affordability - Used to account for service activities including or associated with State subsidy contract and administration Division of Child Development and Early Education (DCDEE) subsidy for TANF eligible children and subsidy supplements for quality.

Child Care and Education Quality - Used to account for service activities including or associated with quality enhancement and maintenance, child care resource and referral, and kindergarten orientation/transition.

B. Support Functions

Management and General - Expenditures that are not identifiable with a single program or fund-raising activity but are indispensable to the conduct of those activities and to an organization's existence, including expenditures for the overall direction of the organization, its general board activities, business management, general recordkeeping, budgeting, and related purposes.

Program Coordination and Evaluation - Expenditures that are incurred to coordinate the policies, procedures, daily practices, and evaluation of service delivery. Also, costs associated with providing technical assistance, monitoring and reporting of in-house and direct service provider activities as to the delivery of services and adherence to the specific terms and conditions of the contracts.

C. Allocation of Joint Costs

Expenditures benefiting more than one purpose were allocated as follows:

Salaries and Benefits - Direct allocation based on employee time reports.

Other Costs - Other costs including occupancy cost (rent, utilities and maintenance), supplies and materials, and communication costs (telephone and printing) were indirectly allocated based on relevant and reliable utilization of data of building square footage and full-time equivalents resulting in reasonable allocations for the period.

NOTE 6 - OPERATING LEASE OBLIGATIONS

A. Operating Lease Obligations - Future minimum lease payments under non-cancelable operating leases consist of the following at June 30, 2014:

<u>Fiscal Year</u>	<u>Operating Leases</u>

The Buncombe County Partnership contributed 8.5% of gross wages for the year ended June 30, 2014. The Buncombe County Partnership does not own the accounts nor is it liable for any other cost other than the required contribution. The Buncombe County Partnership contributed \$30,528 for pension benefits during the year.

NOTE 8 - RISK MANAGEMENT

The Buncombe County Partnership is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Buncombe County Partnership manages these various risks of loss as follows:

<u>Type of Loss</u>	<u>Method Managed</u>	<u>Risk of Loss Retained</u>
Torts, errors and omissions, health and life	Purchased commercial insurance	None
Workers Compensation - employee injuries	Purchased commercial insurance	None

NOTE 9 - COMMITMENTS AND CONTINGENCIES

Compensated Absences - As a result of the Buncombe County Partnership's use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation only; sick leave does not vest) and any employer-related costs earned and unpaid, are not reflected in the financial statements. FASB ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. FASB ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing financial statements to determine whether the tax positions are "more-likely-than-not" to be sustained by the applicable tax authority.

Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

To Board Members of
Buncombe County Partnership for Children, Inc.
Asheville, North Carolina

We have audited the financial statements of Buncombe County Partnership for Children, Inc. (the "Organization"), as of and for the year ended June 30, 2014, and have issued our report thereon dated January 2, 2015. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

As described in Note 1, the financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given those limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
