## INDEPENDENT AUDITOR'S REPORT

To the Board Members  
Partnership for Children of Johnston County, Inc.  
Selma, North Carolina

### **Report on Financial Statements**

We have audited the accompanying statement of receipts, expenditures, and net assets – modified cash basis of Partnership for Children of Johnston County, Inc. as of and for the year ended June 30, 2014, and the related statement of functional expenditures – modified cash basis for the year then ended and the related notes to the financial statements.

### **Management's Responsibilities for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant

accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the statement of receipts, expenditures and net assets of Partnership for Children of Johnston County, Inc., as of and for the year ended June 30, 2014, and the statement of functional expenses for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

### **Other Matter**

#### **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### **Report on Supplementary Information**

Schedule 2 on page 19 is not a required part of the basic financial statements but is supplementary information required by the North Carolina Office of the State Auditor. In accordance with auditing standards generally accepted in the United States of America, we have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion or provide any assurance on Schedule 2.

Our audit was conducted for the purpose of forming an opinion on the financial statements of Partnership for Children of Johnston County, Inc.. The accompanying supplementary Schedules 1, 3, 4 and 5 are also presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 28, 2014, on our consideration of Partnership for Children of Johnston County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance.

That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Partnership for Children of Johnston County, Inc.'s internal control over financial reporting and compliance.

**PARTNERSHIP FOR CHILDREN OF JOHNSTON COUNTY, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**JUNE 30, 2014**

---

**NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES**

- A. Organization and Purpose** - The Partnership for Children of Johnston County, Inc. (Johnston Partnership) is a legally separate nonprofit organization incorporated on June 19, 1997. The Johnston Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Johnston Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- B. Basis of Presentation** - The accompanying financial statements present all funds for which the Johnston Partnership's Board of Directors is responsible. Pursuant to the provisions of Financial Accounting Standards Board's Accounting Standard for *Not-For-Profit Entities*, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Standard, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

Contributions that are temporarily restricted and not expended within the year received are reported as an increase in temporarily restricted net assets. When the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Receipts, Expenditures, and Net Assets as net assets released from restrictions.

The Johnston Partnership did not have any permanently restricted net assets at June 30, 2014.

- C. Basis of Accounting** - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. In addition, amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. Additionally, Smart Start funds advanced to the Local Partnership that are unexpended and unearned at year end are recorded as funds Due to the State.

- D. Cash and Cash Equivalents** - This classification appears on the Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis and includes all demand and savings accounts and certificates of deposit and other short-term investments with an original maturity of three months or less.
- E. Investments** - This classification includes certificates of deposit for which the original maturity term exceeds three months. Under the modified cash basis of accounting, investments in marketable securities are reported at cost, which may differ significantly from their fair values.
- F. Funds Held For Others** - Funds Held for Others includes amounts received that are fiduciary in nature in which the Johnston Partnership acts in an agency capacity. For the year ended June 30, 2014, the Johnston Partnership was holding amounts paid to insurance agencies to be withheld from employee paychecks and holding amounts withheld from employee paychecks to be paid to insurance companies. The Johnston Partnership acts as the fiscal agent for the Johnston County Interagency Coordinating Council and Safe Kids Johnston County.
- G. Property and Equipment** - Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year incurred. However, Johnston Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 4 of this report. The Johnston Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2014. Donated items are recorded on the property and equipment log at estimated fair market value at the date of donation.
- H. Compensated Absences** - As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 9.

- I. **Use of Estimates** - The preparation of financial statements in conformity with the modified cash basis of accounting used by the Johnston Partnership requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.
- J. **Qualifying Match and Contributions In-Kind** - Partnership for Children of Johnston County, Inc., in accordance with applicable Smart Start legislation, reports qualifying match provided at both the Partnership and the contractor level; the qualifying match is reported in supplemental Schedule 5. The match includes cash received and expended at the Partnership level, which is included in the modified cash basis financial statements. The qualifying match reported on Schedule 5 for cash provided at the contractor level and for in-kind goods and services at both the Partnership and contractor levels is not recorded in the modified cash basis financial statements. In-kind contributions could be donated equipment, supplies, office space, or services. Partnership for Children of Johnston County, Inc. also benefits from donor volunteer hours which do not require specific expertise but which are nonetheless central to Partnership for Children of Johnston County, Inc.'s operations. See supplemental Schedule 5 for more information on contributions in-kind.

**NOTE 2 - DEPOSITS AND INVESTMENTS**

- A. **Deposits** - All funds of the Johnston Partnership are deposited with commercial banks and insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per bank.

Deposits over insured amounts subjects the Johnston Partnership to a concentration of credit risk. The Johnston Partnership has an Automated Investment Plan to invest excess balances over an established target amount. The investment is in the bank's government securities and is not insured by the FDIC. Consequently, the Johnston Partnership bank deposits in excess of the FDIC insured limit totaled \$575,000 at June 30, 2014.

- B. **Investments** – The Johnston Partnership held certificates of deposit with local banks. The investments, whose original maturity term exceeds three months, are reported at cost which approximates fair value. At June 30, 2014, the investment balance was \$54,169. Certificates of deposit reported as investments are also a component of the insured limit and risk reported in the deposits section of this note.

**NOTE 3 - FUNDING FROM GRANT AWARDS AND CONTRACTS**

**Smart Start Program** - The Johnston Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement

contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Johnston Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Johnston Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the North Carolina Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Johnston Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Johnston Partnership was awarded and has received \$1,193,904 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. The Johnston Partnership has expended all awarded funds and therefore has returned none of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2014.

The Johnston Partnership expects to receive continued funding through new Smart Start contracts with the State.

**NC Pre-K** - The Johnston Partnership also received revenue and support from the State of North Carolina for the NC Pre-K program. The Johnston Partnership was awarded \$1,791,439 and received \$1,779,845 under a current year financial assistance contract.

The Johnston Partnership expects to receive continued funding through new NC Pre-K contracts with the State.

**Race to the Top--Early Learning Challenge Grant** – The Johnston Partnership also received revenue and support from the North Carolina Department of Health and Human Services (DHHS) for the Race to the Top--Early Learning Challenge grant (RTT-ELC). The RTT-ELC grant is a federally funded initiative to reduce disparities in school readiness among children with high needs and their peers. The Johnston Partnership was awarded \$112,898 and has received \$82,467 under the current year RTT-ELC grant.

The Johnston Partnership expects to continue receiving funding through DHHS for the RTT-ELC grant.

**NOTE 4 - RELATED PARTY TRANSACTIONS**

- A. Service Provider Contracts with Board Member Organizations** - The board members of the Johnston Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Johnston Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Johnston Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Johnston Partnership's Smart Start allocation.
- B. Other Related Parties** - The Johnston Partnership entered into transactions for contracted services with private businesses associated with a board member and relatives of the Johnston Partnership. The amounts paid included:

<u>Expenditures</u>	<u>Amount</u>
NC Pre-K Mentoring Services	\$ 28,890
Workshop Child Care Services	778
Workshop Training Services	<u>750</u>
	<u>\$ 30,418</u>

**NOTE 5 - FUNCTIONAL EXPENDITURES**

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis. Also, the Statement of Functional Expenditures – Modified Cash Basis, provides detail of the functional costs by their natural classification. Following are the services associated with the functional categories presented in the accompanying financial statements and the methods utilized to allocate joint cost:

Also, costs associated with providing technical assistance, monitoring and reporting of in-house and direct service provider activities as to the delivery of services and adherence to the specific terms and conditions of the contracts.

## **C. Allocation of Joint Costs**

Expenditures benefiting more than one purpose were allocated as follows:

**Salaries and Benefits** - Direct allocation based on employee time reports.

**Other Costs** - Other costs including occupancy cost (rent, utilities and maintenance), supplies and materials, and communication costs (telephone and printing) were indirectly allocated based on utilization data.

## **NOTE 6 - OPERATING LEASE OBLIGATIONS**

Rental expense for all operating leases during the year was \$84,777.

**NOTE 7 - PENSION PLAN**

**Deferred Compensation and Supplemental Retirement Income Plans-**

**IRC Section 401(k) Plan** - The Johnston Partnership has an IRC Section 401(k) plan (Plan). All costs of administering the Plan are the responsibility of the Plan participants. The Johnston Partnership contributed up to 5% of gross wages for the year ended June 30, 2014. Employees may make voluntary contributions to the Plan. For the year ended June 30, 2014, the Johnston Partnership contributed \$31,027.

**NOTE 8 - RISK MANAGEMENT**

The Johnston Partnership is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Johnston Partnership manages these various risks of loss as follows:

<u>Type of Loss</u>	<u>Method Managed</u>	<u>Risk of Loss Retained</u>
Torts, errors and omissions, health and life	Purchased commercial insurance	None
Workers Compensation - employee injuries	Purchased commercial insurance	None
Physical property loss and natural disasters	Purchased commercial insurance	None

Management believes such coverage is sufficient to preclude any significant losses to the Johnston Partnership. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

**NOTE 9 - COMMITMENTS AND CONTINGENCIES**

**Compensated Absences** - As a result of the Johnston Partnership's use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation only; sick leave does not vest) and any employer-related costs earned and unpaid, are not reflected in the financial statements. The compensated absences commitment for vacation leave at June 30, 2014, is \$52,131. No funds or reservation of net assets has been made for this commitment.

The Johnston Partnership is exempt from payment of income taxes under the provision of Section 501(c)(3) of the Internal Revenue Code, except to the extent of taxes on any unrelated business income.

FASB ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. FASB ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing financial statements to determine whether the tax positions are “more-likely-than-not” to be sustained by the applicable tax authority.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Members of  
Partnership for Children of Johnston County, Inc.  
Selma, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Partnership for Children of Johnston County, Inc. (a nonprofit organization), which comprise the statement of receipts, expenditures, and net assets – modified cash basis as of June 30, 2014, and the related statement of functional expenditures – modified cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 28, 2014.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Partnership for Children of Johnston County, Inc.'s internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Partnership for Children of Johnston County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Partnership for Children of Johnston County, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Partnership for Children of Johnston County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
