North Carolina Board of Licensed Professional Counselors
Greensboro, North Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of the North Carolina Board of Licensed Professional Counselors (the "Board"), an independent state agency which is a nonmajor enterprise fund of the primary government of the State of North Carolina, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which comprise the Board's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on the audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the North Carolina Board of Licensed Professional Counselors as of June 30, 2017, and the results of its operations, changes in financial position, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONCLUDED)

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historic context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the supplementary information because the limited procedures do not provide sufficient evidence to express an opinion or provide any assurance thereon.

Other Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Receipts and Disbursements - Modified Cash Basis is presented for purposes of additional analysis and is not a required part of the financial statements. We have applied certain limited procedures to the supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. NORTH CAROLINA BOARD OF LICENSED PROFESSIONAL COUNSELORS
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2017

Note 1 - Nature of Activities and Significant Accounting Policies

Description of Organization and Purpose

The North Carolina Board of Licensed Professional Counselors (the "Board") is an independent State agency. It is an occupational licensing board and is authorized by Chapter 90 of the North Carolina General Statutes. The Board is composed of seven members who are appointed by the Governor of the State of North Carolina. The Board is a nonmajor enterprise fund of the primary government of the State of North Carolina and is reported as such in the State's Comprehensive Annual Financial Report (CAFR).

The Board is established to maintain minimum standards for services provided by licensed professional counselors.

The Board's operations are financed with self-generated revenues from fees charged to examinees and licensees.

Financial Reporting Entity

The concept underlying the definition of the financial reporting entity is that elected officials are accountable to their constituents for their actions. As required by accounting principles generally accepted in the United States of America (GAAP), the financial reporting entity includes both the primary government and all of its component units. An organization other than a primary government serves as a nucleus for a reporting entity when it issues separate financial statements. The accompanying financial statements present all funds and activities for which the Board is responsible.

For financial reporting purposes, the Board is a nonmajor enterprise fund of the primary government of the State of North Carolina and is reported as such in the State's Comprehensive Annual Financial Report (CAFR). These financial statements for the Board are separate and apart from those of the State of North Carolina and do not present the financial position of the State nor changes in the State's financial position and cash flows.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting principles and reporting standards.

All activities of the Board are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

NORTH CAROLINA BOARD OF LICENSED PROFESSIONAL COUNSELORS
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2017

Note 1 - Nature of Activities and Significant Accounting Policies (Continued)

Basis of Accounting

The basic financial statements of the Board are prepared using the economic resource measurement focus and the accrual basis of accounting. The economic resource measurement focus measures all assets that are available to the entity, not only cash or soon to be assets. Both long-term assets and long-term liabilities are measured and depreciation is recorded as a cost of operations. Under the accrual basis of accounting, revenues are recognized when earned, and expenses are recorded when a liability has been incurred, regardless of the timing of cash flows. Fees received for the various licenses are deemed earned when the license period begins.

The Statements of Revenues, Expenses, and Changes in Net Position classifies the Board's revenues as operating or non-operating revenues. Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the Board. Operating revenues consist primarily of license fees and includes activities that have characteristics of exchange transactions. Operating expenses are all expense transactions incurred other than those related to capital and noncapital financing or investing activities as defined by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*. Non-operating revenues and expenses consist of those revenues and expenses that are related to investing, capital, and non-capital financing activities; and are classified as non-operating in the financial statements.

Cash and Cash Equivalents

This classification includes undeposited receipts, petty cash, checking accounts and time deposits (excluding certain certificates of deposit) held by the Board.

Cash in State Treasurer

This classification consists of deposits with the State Treasurer of North Carolina. Because these funds are immediately available for expenditure they are considered a cash equivalent.

Investments

The Board is authorized to invest idle funds in accordance with North Carolina General Statutes. This classification consists of certain certificates of deposits held by the Board for investment. Investments generally are reported at fair market value. Certificates of deposit are reported at cost (which is the same as fair value) if purchased in the primary certificate of deposit market, and at fair value if purchased in the secondary certificate of deposit market (as determined by quoted market prices). The net increase (decrease) in the fair value of investments for certificates of deposit is recognized as a component of investment interest income. The Board held only non-negotiable certificates of deposit.

Prepaid Expenses

This classification includes expenses which were prepaid at year end for legal services.

NORTH CAROLINA BOARD OF LICENSED PROFESSIONAL COUNSELORS
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2017

Note 1 - Nature of Activities and Significant Accounting Policies (Continued)

Capital Assets

Property and equipment are stated at cost and are being depreciated over their useful lives on a straight-line basis. The Board capitalizes assets that have a value or cost of \$500 or greater at the date of acquisition and an estimated useful life of more than one year. Depreciation is computed using the straight-line method of depreciation over the estimated useful lives of the assets, generally estimated as follows: office furniture and equipment, 5 to 7 years.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2 - Deposits and Investments

Deposits in Bank(s)

All of the Board's deposits which are uninsured are uncollateralized [unless collateralized pursuant to NC Administrative Code (20 NCAC 7)] by the financial institution holding said deposits. For deposits, custodial credit risk is the risk that in the event of the failure of the depository (or counterparty), the Board will not be able to recover the value of its deposits that are in the possession of the outside party. The Board does not have formal policies regarding custodial credit risk for deposits.

At June 30, 2017, the Board's deposits in banks had a carrying amount (including undeposited receipts) of \$1,967,151 and a bank balance of \$1,983,793, of which \$500,000 was covered by federal depository insurance, and \$1,483,793 was uninsured and uncollateralized [unless collateralized pursuant to NC Administrative Code (20 NCAC 7)], however, the Board is currently working to deposit monies into multiple bank accounts towards the goal of securing additional FDIC coverage. Certificates of deposit in the amount of \$701,687 are considered time deposits for this disclosure and are classified as investments on the Statement of Net Position.

NORTH CAROLINA BOARD OF LICENSED PROFESSIONAL COUNSELORS
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2017

Note 2 - Deposits and Investments (Continued)

Deposits in State Treasurer Short Term Investment Fund (STIF)

Pursuant to North Carolina General Statute 147-69.3(b), the Board voluntarily holds deposits with the North Carolina Short Term Investment Fund (STIF). Disbursements, if used, are through the issuance of warrants by the Board. Investments of the Short Term Investment Fund are limited to those authorized for the State's General Fund, generally high quality money market investments and US Government/agency securities. FDIC insurance and deposit collateralization rules do not apply.

Deposit and investments risks associated with the State Treasurer's Investment Pool (which includes the State Treasurer's Short-Term Investment Fund) are included in the State of North Carolina's Comprehensive Annual Financial Report. An electronic version of the financial report is available by accessing the North Carolina Office of the State Controller's internet home page, www.ncosc.net, and clicking on "Financial Reports", or calling the State Controller's Financial Reporting Section at (919) 707-0500.

At June 30, 2017, the Board's deposits with the State Treasurer STIF account had a carrying value, fair market value and a bank balance of \$188.

Investments

The Board is subject to the following risks:

Interest rate risk - Interest rate risk is the risk the Board may face should interest rate variances affect the fair value of investments. As a means of limiting its exposure to fair value losses arising from interest rate variances, the Board limits its investments, if any, to certificates of deposits with maturities of no more than 36 months and to money market mutual funds.

Credit risk - Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. Investments of the Board are subject to the statutory requirements of North Carolina General Statutes, however the Board's present policy for managing credit risk is to limit its investments to certificates of deposits and money market mutual funds.

The following table presents fair value of investments by type and investment subject to interest rate risk and credit risk at June 30, 2017, for the Board's investments.

When an asset is disposed of, the cost of the asset and the related accumulated depreciation are removed from the books. Any gain or loss on disposition is reflected in earnings for the period. Depreciation expense was \$4,223 for the fiscal year ended June 30, 2017.

Note 4 - Unearned Revenue

The Board's fees are assessed and collected on both an annual and a biennial basis, some of which correspond with the Board's accounting period and some of which correspond with the calendar year. License renewal fees received in the latter part of the fiscal year are unearned and recognized as revenue over the periods to which they relate. This reporting method reasonably reports revenues as earned.

NORTH CAROLINA BOARD OF LICENSED PROFESSIONAL COUNSELORS
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2017

Note 5 - Net Position

Investment in capital assets - This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any loan proceeds that are attributable to the acquisition, construction, or improvement of those capital assets.

Restricted net position - This component of net position consists of net position which the Board is legally or contractually obligated to spend in accordance with restrictions imposed by external parties. The Board had no restricted net position.

Unrestricted net position - This component of net position consists of net position that does not meet the definition of *restricted or investment in capital assets*.

Note 6 - Contracted Management Services

The Board does not have employees. The Board contracted with a management service to provide services for the Board. The contracts included all services related to the process of licensure application and renewal and various other clerical duties. The Board also reimbursed the management services for additional contract labor, printing, copying, postage and miscellaneous office supplies and expenses. Payments to the management services totaled \$330,058 during the fiscal year ended June 30, 2017.

Note 7 - Risk Management

The Board is exposed to various risks of loss related to torts; theft of, damage to, and the destruction of assets; errors and omissions; injuries to employees (if applicable); and natural disasters. These exposures to loss are handled by participation in certain state-administered risk programs and self retention of certain risks. The Board had no commercial insurance through the year ended June 30, 2017, but the Board purchased Directors and Officers liability coverage (\$3,000,000) and Employment Practices coverage (\$3,000,000) prior to the audit report issuance date. There were no insurance claims filed during the year ended June 30, 2017.

Note 8 - Contingencies

The Board is involved in occasional disciplinary hearings throughout the year which arise in the ordinary course of its operations. In the opinion of management of the Board, the results of such actions during the year under audit do not materially affect the Board's operations, changes in financial position, or cash flows for the year herein ended.

Note 9- Subsequent Events

Subsequent events have been evaluated through August 21, 2017, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

Note 10- North Carolina Legislative Statutory Disclosure Requirement Concerning Audit Fees

This audit required 80 audit hours at a cost of \$7,195.
