The Honorable James B. Hunt, Jr., Governor
Members of the North Carolina General Assembly
Ms. Katie G. Dorsett, Secretary
Department of Administration

We have completed certain audit procedures at the Department of Administration related to the State's *Comprehensive Annual Financial Report (CAFR)* and the State's *Single Audit Report*, for the year ended June 30, 2000. Our audit was made by authority of Article 5A of *North Carolina General Statute § 147*.

We are pleased to advise you that these procedures, as described below, yielded no audit findings and recommendations for the Department related to the State's general-purpose financial statements or the State's federal financial assistance programs which require disclosure in the aforementioned reports.

The accounts and operations of the Department of Administration are an integral part of the State's reporting entity represented in the *CAFR* and the *Single Audit Report*. In the *CAFR*, the State Auditor expresses an opinion on the State's financial statements. In the *Single Audit Report*, the State Auditor also presents the results of tests on the State's internal control and on the State's compliance with laws, regulations, contracts, and grants applicable to the State's financial statements and to its federal financial assistance programs. The audit procedures were conducted in accordance with generally accepted auditing standards, *Government Auditing Standards* issued by the Comptroller General of the United States, and Office of Management and Budget Circular A-133.

As part of the work necessary for issuance of the *CAFR* and the *Single Audit Report*, the following individual funds and federal programs of the State were subjected to audit procedures at the Department of Administration as we considered necessary:

Funds for the *Comprehensive Annual Financial Report*:

General Fixed Assets Account Group

Capital Projects Fund

Federal Programs for the *Single Audit Report*:

Central Service Costs

The individual funds and federal programs subjected to audit at the Department of Administration are substantially less in scope than would be necessary to report on the general-purpose financial statements that relate solely to the Department or the administration of federal programs by the Department. Therefore, we do not express such conclusions.

North Carolina General Statutes require the State Auditor to make audit reports available to the public. Copies of audit reports issued by the Office of the State Auditor may be obtained through one of the options listed in the back of this report.

Respectfully submitted,

A handwritten signature in cursive script that reads "Ralph Campbell, Jr." The signature is written in black ink and is positioned above the printed name.

Ralph Campbell, Jr.
State Auditor
