Graham County Clerk of Superior Court

This report presents the results of our financial related audit of Graham County Clerk of Superior Court for the year ended June 30, 2001. Our audit was made by authority of Article 5A of G.S. §147.

The accounts and operations of the Clerk are an integral part of the State's reporting entity represented in the State's *Comprehensive Annual Financial Report (CAFR)* and the State's *Single Audit Report*. In those reports the State Auditor expresses an opinion on the State's financial statements. In the *Single Audit Report*, the State Auditor also presents the audit results on the State's internal controls and on the State's compliance with laws and regulations applicable to the State's financial statements and to its federal financial assistance programs.

As part of the audit work necessary for the CAFR and the *Single Audit Report*, the accounts and operations of Graham County Clerk of Superior Court were subject to audit procedures as we considered necessary. In addition, we performed auditing procedures that we considered necessary for us to report on the accompanying financial statement that relates solely to Graham County Clerk of Superior Court. The audit procedures were conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States.

INDEPENDENT AUDITOR'S REPORT

The Honorable Wanda C. Brooms, Clerk
Graham County Clerk of Superior Court
Robbinsville, North Carolina

We have audited the accompanying Statement of Assets and Liabilities of Graham County Clerk of Superior Court as of June 30, 2001. This financial statement is the responsibility of Graham County Clerk of Superior Court. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying Statement of Assets and Liabilities presents the agency funds for which the Clerk is responsible and is not intended to be a complete presentation of the Clerk's financial operations. This financial statement was prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the assets and liabilities of Graham County Clerk of Superior Court as of June 30, 2001, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 26, 2002 on the results of our tests of the Clerk's compliance with certain provisions of laws and regulations and our consideration of the Clerk's internal control over financial reporting. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

GRAHAM COUNTY CLERK OF SUPERIOR COURT
NOTES TO THE FINANCIAL STATEMENT
JUNE 30, 2001

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- A. Financial Reporting Entity** - The concept underlying the definition of the financial reporting entity is that elected officials are accountable to their constituents for their actions. Although the Clerk is an elected official, the Clerk's office is administratively under the Administrative Office of the Courts, a division of the North Carolina Judicial Branch. The accompanying financial statement presents the agency funds for which the Clerk is accountable. The county in which the Clerk officiates provides office space and utilities. The Administrative Office of the Courts provides the other operating costs of the Clerk's office. Therefore, the operating costs of the Clerk's office are not reflected in the accompanying financial statement.
- B. Basis of Presentation** - The accompanying financial statement presents the agency funds under the authority of the Clerk and follows the cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because the effects of outstanding receivables and payables resulting from court actions are not included in this statement.
- C. Fund Structure** - An agency fund type is used to account for assets held by the Clerk as custodian or as an agent for individuals or agencies. Agency funds are purely custodial and thus do not involve measurement of results of operations.

NOTE 2 - DEPOSITS

Deposits include cash and cash equivalents and certificates of deposit.

G.S. 7A-112.1 requires the Clerk to deposit any funds received in an interest-bearing checking account or accounts in a bank, savings and loan, or trust company licensed to do business in North Carolina to the extent in each instance that such deposits are insured. When money in a single account in excess of \$2,000 is received, and it is expected that the money will remain on deposit in excess of six months, the money exceeding \$2,000 shall be invested within sixty days of receipt in securities authorized by G.S. 7A-112.

G.S. 7A-112 authorizes the Clerk to invest in certificates of deposit for time deposits or savings accounts in any bank, savings and loan, or trust company authorized to do business in North Carolina to the extent in each instance that such deposits are insured.

NOTES TO THE FINANCIAL STATEMENT (CONCLUDED)

If the Clerk desires to deposit moneys beyond the extent that such deposits are insured, the Clerk shall require such depository to furnish a corporate surety bond or obligations of the United States or obligations fully guaranteed both as to principal and interest of the United States or obligations of the State of North Carolina, or of counties and municipalities of North Carolina whose obligations have been approved by the Local Government Commission.

At June 30, 2001, the carrying amount of deposits was \$261,560.86 and the bank balance was \$268,923.99. All of the deposits were insured or collateralized with securities held by the Clerk or by the Clerk's agent in the Clerk's name.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Wanda C. Brooms, Clerk
Graham County Clerk of Superior Court
Robbinsville, North Carolina

We have audited the Statement of Assets and Liabilities of Graham County Clerk of Superior Court as of June 30, 2001, and have issued our report thereon dated April 26, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Statement of Assets and Liabilities is free of material misstatement, we performed tests of the Clerk's compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Clerk's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Clerk's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statement. The reportable conditions noted as a result of our audit are described in the Audit Findings and Recommendations section of this report:

**INDEPENDENT AUDITOR'S REPORT
ON COMPLIANCE AND ON INTERNAL CONTROL
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF THE
FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS (CONCLUDED)**

Finding

Segregation of Duties

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe none of the reportable conditions described above is a material weakness.

This report is intended solely for the information and use of the Clerk, the Clerk's staff, the Administrative Office of the Courts, the Governor, the State Controller, and the General Assembly and is not intended to be, and should not be, used by anyone other than these specified parties.

State Auditor

AUDIT FINDING AND RECOMMENDATION

Current Year Finding and Recommendation - The following finding and recommendation was identified during the current audit and represents a significant deficiency in internal control.

SEGREGATION OF DUTIES

One employee functions as both the cashier and the head bookkeeper. When one person performs these duties (or has the system rights to perform these duties), key internal control functions are not adequately segregated. As a result, errors material to the financial statements may occur and not be detected or corrected in a timely manner by employees performing their assigned duties.

The Administrative Office of the Courts Fiscal Policies and Procedures Manual states that the duties of cashier and head bookkeeper should be separated whether efficiency or inefficiency is the consequence.

Recommendation: The Clerk should evaluate and, to the extent necessary, reassign job duties and system access rights in order to better segregate duties and enhance internal controls.

DISTRIBUTION OF AUDIT REPORT

In accordance with G.S. § 147-64.5 and G.S. § 147-64.6(c)(14), copies of this report have been distributed to the public officials listed below. Additional copies are provided to other legislators, state officials, the press, and the general public upon request.
