The Honorable Michael F. Easley, Governor  
Members of the North Carolina General Assembly  
Mr. George Bakolia, State Chief Information Officer  
Office of Information Technology Services

We have completed certain audit procedures at the Office of Information Technology Services related to the State of North Carolina reporting entity as presented in the *Comprehensive Annual Financial Report (CAFR)* and *Single Audit Report* for the year ended June 30, 2006. Our audit was performed by authority of Article 5A of Chapter 147 of the *North Carolina General Statutes*.

In the *CAFR*, the State Auditor expresses an opinion on the State's financial statements. In the *Single Audit Report*, the State Auditor presents the results of tests of internal control and compliance with laws, regulations, contracts and grants applicable to the State's financial statements and to its federal financial assistance programs. Our audit procedures were conducted in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards*, issued by the Comptroller General of the United States and the Single Audit Act as applicable. Our audit scope at the Office of Information Technology Services included the following:

State of North Carolina's Financial Statements

None

State of North Carolina's Administration of Federal Financial Assistance Programs

Billed Central Services

Our audit procedures at the Office of Information Technology Services were less in scope than would be necessary to report on the financial statements that relate solely to the Office or its administration of federal programs. Therefore, we do not express such conclusions.

The results of our audit procedures disclosed no matters involving internal control, instances of noncompliance or other matters that are required to be reported under Government Auditing Standards or the Single Audit Act.

*North Carolina General Statutes* require the State Auditor to make audit reports available to the public. Copies of audit reports issued by the Office of the State Auditor may be obtained through one of the options listed in the back of this report.
