INDEPENDENT AUDITOR'S REPORT

Board of Directors
The North Carolina Partnership for Children, Inc.
Raleigh, North Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of The North Carolina Partnership for Children, Inc. (North Carolina Partnership), a component unit of the State of North Carolina, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the North Carolina Partnership's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the North Carolina Partnership's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the North Carolina Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies such used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion based on our audit, the financial statements referred to above present fairly, in all material respects, the financial position of The North Carolina Partnership for Children, Inc., as of June 30, 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters – Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

The supplementary schedules are the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The supplementary schedules have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with Government Auditing Standards, we have also issued our report dated May 1, 2015 on our consideration of the North Carolina Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the North Carolina Partnership's internal control over financial reporting and compliance.

The three statements described above are the basic financial statements required by the Governmental Accounting Standards Board (GASB) accounting principles. In accordance with GASB, the financial statements are presented on the North Carolina Partnership as a whole and use reporting concepts in a manner similar to that required of a business enterprise.

The *Statement of Net Position* is presented in a classified format to aid the reader in understanding the nature of its financial statement balances.

The *Notes to the Financial Statements* accompanying these financial statements are an integral part of the financial statements and should be read in conjunction with the financial statements. The *Notes to the Financial Statements* provide additional detail and explanation about the amounts reported in the financial statements.

Contracted services increased during the fiscal year June 30, 2014, primarily due to an increase in contractual services provided in carrying out grant initiatives.

Economic Factors That Will Affect the Future

The three main factors that impact the economic outlook for the North Carolina Partnership are private contributions as well as federal and state aid.

The North Carolina Partnership actively seeks private gifts to support the mission of the Smart Start initiative. For the fiscal year ended June 30, 2014, private contributions increased as compared to the fiscal year ended June 30, 2013. This increase was the result of a more favorable environment for private contributions. It is anticipated that the state of the economy will improve for the fiscal year ending June 30, 2015 and possibly beyond.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- A. Organization and Purpose** - The North Carolina Partnership for Children, Inc. (North Carolina Partnership) is a legally separate nonprofit organization incorporated on March 31, 1993. The North Carolina Partnership provides technical assistance and training for local Smart Start partnerships (currently 76) in the areas of program development, administration, organizational development, communication, financial management, technology, contracts management, and fundraising. The North Carolina Partnership adheres to a comprehensive accountability plan to ensure programs, services, and funds reach the children and families of North Carolina. The North Carolina Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- B. Financial Reporting Entity** - The concept underlying the definition of the financial reporting entity is that elected officials are accountable to their constituents for their actions. As required by accounting principles generally accepted in the United States of America (GAAP), the financial reporting entity includes both the primary government and all of its component units. An organization other than a primary government serves as a nucleus for a reporting entity when it issues separate financial statements. The North Carolina Partnership for Children, Inc. is a component unit of the State of North Carolina and an integral part of the State's *Comprehensive Annual Financial Report* (CAFR).

Component units are legally separate entities for which the State is financially accountable. Accountability is defined as the State's substantive appointment of a majority of the component unit's governing board. Furthermore, to be financially accountable, the State must be able to impose its will upon the component unit or there must be a possibility that the component unit may provide specific benefits to, or impose specific financial burdens on, the State. Financial accountability also exists when an organization is fiscally dependent upon the State.

As required by *General Statute* 143B-168.12, certain elected State officials appoint twenty-two of the North Carolina Partnership's board members, while four board members serve *ex-officio* by virtue of their State positions. The State provides significant operating subsidies to the North Carolina Partnership creating a benefit/burden relationship.

Because of the State's appointment of the board and the benefit/burden relationship, the North Carolina Partnership is a component unit of the State of North Carolina and the North Carolina Partnership's financial statements are included in the State's CAFR.

The accompanying financial statements present all funds for which the North Carolina Partnership's Board of Directors is responsible.

- C. Basis of Presentation** - The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

Pursuant to the provisions of GASB Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*, governmental not-for-profit entities that reported as of June 30, 1999, using the American Institute of Certified Public Accountants Statement of Position 78-10, *Accounting Principles and Reporting Practices for Certain Nonprofit Organizations*, may report as special-purpose governments engaged only in business-type activities. As such, the full scope of the North Carolina Partnership's activities is considered to be a single business-type activity and accordingly, is reported within a single column in the basic financial statements.

- D. Basis of Accounting** - The financial statements of the North Carolina Partnership have been prepared using the economic resource measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred, regardless of the timing of the cash flows.

Nonexchange transactions, in which the North Carolina Partnership receives (or gives) value without directly giving (or receiving) equal value in exchange, include state aid, certain grants, and donations. Revenues are recognized as soon as all eligibility requirements imposed by the provider have been met, if probable of collection.

- E. Cash and Cash Equivalents** - This classification includes cash on hand, cash on deposit with private bank accounts, and deposits held by the State Treasurer in the short-term investment fund (STIF). The STIF maintained by the State Treasurer has the general characteristics of a demand deposit account in that participants may deposit and withdrawal cash at any time without prior notice or penalty.

- F. Investments** - This classification includes money market mutual funds and nonnegotiable certificates of deposit with original maturities of more than three months. The money market mutual funds are accounted for at fair value, as determined by share price. The net increase (decrease) in the fair value of investments is recognized as a component of investment income. The certificates of deposit are reported at cost, if purchased, or at fair market value or appraised value at the date of gift, if donated.

- G. Receivables** - Receivables consist of unexpended grant amounts due from local partnerships, amounts due from the State, and amounts due from the federal awarding agency. Receivables also include amounts due from private pledges that are verifiable, measurable, and expected to be collected and available for expenditures for which the resource provider's conditions have been satisfied. Receivables are shown at book value with no provision for doubtful accounts considered necessary.

H. **Prepaid Expenses** - The North Carolina Partnership records expenses allocable to future periods as prepaid expenses.

I. **Capital Assets** - Capital assets are recorded at cost at date of acquisition or fair market value at date of donation in the case of gifts.

The North Carolina Partnership capitalizes assets that have a value or cost of \$5,000 or greater at the date of acquisition and an expected useful life of more than one year.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally 3 to 7 years for equipment.

J. **Restricted Assets** - Certain resources are reported as restricted assets because restrictions on asset use change the nature or normal understanding of the availability of the asset. Resources that are not available for current operations and are reported as restricted include resources whose use is limited by external parties or statute, and endowment and other restricted investments. The endowment fund of \$23,287 is included in the money market mutual funds amount.

K. **Due to the State** - The Smart Start program's funding from the State of North Carolina is recognized as revenue to the extent that allowable costs have been incurred. Any unexpended funds as of June 30 are required to be reverted to the State.

L. **Noncurrent Long-Term Liabilities** - Noncurrent long-term liabilities consist of compensated absences that will not be paid within the next fiscal year.

M. **Compensated Absences** - The North Carolina Partnership's policy is to record the cost of paid time off (PTO) when earned. Unused PTO can be accrued and carried forward from one year to the next. However, no more than 80 hours can be carried forward into the new calendar year. PTO in excess of 80 hours at the end of the calendar year is converted into Family Leave. When classifying compensated absences into current and noncurrent, leave is considered taken on a last-in, first-out (LIFO) method.

The North Carolina Partnership has the policy of recording the cost of family leave when taken and paid rather than when the leave is earned. Family leave must be taken in five whole day increments and is available only to employees who have exhausted their PTO balances and are eligible for Family and Medical Leave Act protection. The policy provides for unlimited accumulation of family leave, but the employee cannot be compensated for any unused family leave upon termination of employment.

The North Carolina Partnership recognizes three separate employment types, distinguished by the expected duration of employment and the number of hours regularly worked each week. The three categories are:

Full-Time with Full Benefits, Full-Time Temporary with Partial Benefits, and Part-Time with Partial Benefits. Each employment type provides for different eligibility levels of benefits. These employment types do not alter the employment-at-will doctrine and, therefore, do not guarantee employment for any specified period of time. Benefits are subject to change from time to time, and may be reduced, modified, or terminated at the discretion of the North Carolina Partnership.

- N. Net Position** - The North Carolina Partnership's net position is classified as follows:

Investment in Capital Assets - This represents the North Carolina Partnership's total investment in capital assets.

Restricted Net Position - Nonexpendable - Nonexpendable restricted net position consists of an endowment for which the use is limited by the donors or other outside sources. As a condition of the gift, the principal is generally not distributed, thus building a permanent and growing support for the endowment objective. However, it is the wish of the donor that an amount of \$1,000 be made annually, even if the principal must be utilized. Any expenditure of principal must be approved by the Trustees of the endowment.

Restricted Net Position - Expendable - Expendable restricted net position includes resources in which the North Carolina Partnership is legally or contractually obligated to spend the resources in accordance with restrictions imposed by external parties.

Unrestricted Net Position - Unrestricted net position includes resources derived from unrestricted gifts and interest income.

Restricted and unrestricted resources are tracked using a fund accounting system and are spent in accordance with established fund authorities. Fund authorities provide rules for the fund activity and are separately established for restricted and unrestricted activities. When both restricted and unrestricted funds are available for expenditure, the decision for funding is transactional based on management decision.

- O. Revenue and Expense Recognition** - The North Carolina Partnership classifies its revenues and expenses as operating or nonoperating in the accompanying Statement of Revenues, Expenses, and Changes in Net Position. Operating revenues and expenses generally result from providing services that are necessary to the North Carolina Partnership's principal ongoing operations. Operating revenues include activities that have characteristics of exchange transactions. Operating expenses are all expense transactions incurred other than those related to capital and noncapital financing or investing activities as defined by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*. Nonoperating revenues include activities that have the characteristics of nonexchange transactions. Revenues from nonexchange transactions

and state aid that represent subsidies or gifts to the North Carolina Partnership, as well as investment income, are considered nonoperating since these are either investing, capital, or noncapital financing activities. Capital contributions are presented separately after nonoperating revenues and expenses.

NOTE 2 - DEPOSITS AND INVESTMENTS

- A. Deposits** - The North Carolina Partnership is required by *North Carolina General Statute 147-77* to deposit any funds collected or received that belong to the State of North Carolina with the State Treasurer or with a depository institution in the name of the State Treasurer. All funds of the North Carolina Partnership, other than those required to be deposited with the State Treasurer, are deposited in board-designated depositories or brokerage firms. The amount shown on the Statement of Net Position as cash and cash equivalents includes cash on hand totaling \$250, deposits in private financial institutions with a carrying value of \$962,232 and a bank balance of \$1,372,204 and deposits held by the State Treasurer totaling \$92,418.

At June 30, 2014, the amount shown on the Statement of Net Position as cash and cash equivalents includes \$92,418, which represents the North Carolina Partnership's equity position in the State Treasurer's Short-Term Investment Fund (STIF). The STIF (a portfolio within the State Treasurer's Investment Pool, an external investment pool that is not registered with the Securities and Exchange Commission and does not have a credit rating) had a weighted average maturity of 1.3 years as of June 30, 2014. Assets and shares of the STIF are valued at amortized cost, which approximates fair value. Deposit and investment risks associated with the State Treasurer's Investment Pool (which includes the State Treasurer's STIF) are included in the State of North Carolina's *Comprehensive Annual Financial Report*. An electronic version of this report is available by accessing the North Carolina Office of the State Controller's Internet home page <http://www.osc.nc.gov/> and clicking on "Reports" or by calling the State Controller's Financial Reporting Section at (919) 707-0500.

Custodial credit risk is the risk that in the event of a bank failure, the North Carolina Partnership's deposits may not be returned to it. The North Carolina Partnership does not have a deposit policy for custodial credit risk. The North Carolina Partnership's deposits with each commercial bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2014, the North Carolina Partnership's bank balance in excess of the FDIC insured limit totaled \$1,123,546.

- B. Investments** - There are no legal limitations on the types of investments by the North Carolina Partnership. The North Carolina Partnership has adopted formal investment policies to establish investment objectives,

standards of prudence, eligible investments, and safekeeping and custodial procedures necessary for the prudent management of the private funds maintained by the North Carolina Partnership.

The North Carolina Partnership is subject to the following risks:

Interest Rate Risk: Interest rate risk is the risk the North Carolina Partnership may face should interest rate variances affect the fair value of investments. In accordance with its investment policy, the North Carolina Partnership manages its exposure to declines in fair values by limiting the weighted average maturity of its investment portfolio. For its two major investment types, certificates of deposit maturities may not exceed 36 months and money market mutual funds must have maturities of 90 days or less.

Credit Risk: Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The North Carolina Partnership manages credit risk by diversifying its investment portfolio. Investments are limited to: U.S. Treasury Obligations; Obligations of the State of North Carolina; Time Deposits, Certificates of Deposit, and Savings Accounts; No-Load Money Market Funds; No-Load Money Market Mutual Funds; U.S. Agency Securities; Bankers' Acceptances; Commercial Paper; Investment Grade Bonds; High-Quality Stocks; and Exchange-Traded Funds. Policy also further limits the composition of the above investment types as to the total investment portfolio.

The following table presents the fair value of investments by type and investments subject to interest rate risk and credit risk at June 30, 2014, for the North Carolina Partnership's investments.

Investment Type	Fair Value	Properties of Debt Securities	
		Weighted Average Maturities	Rating
Debt Securities			
Money Market Mutual Funds	\$ 1,100,625	13 days	Unrated
Other Securities			
Certificates of Deposit	<u>521,271</u>		
Total Investments	<u>\$ 1,621,896</u>		

The money market mutual funds invested in a brokerage firm are not insured or guaranteed by the FDIC. The certificate of deposit held by a private financial institution is insured by the FDIC. However, the North Carolina Partnership cash deposits at the same financial institution exceed the FDIC insured limit as shown in Note 2A Deposits. At June 30, 2014, the North Carolina Partnership's investment deposits in excess of the FDIC insured limit totaled \$521,271.

**INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
The North Carolina Partnership for Children, Inc.
Raleigh, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The North Carolina Partnership for Children, Inc. (North Carolina Partnership), a component unit of the State of North Carolina as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the North Carolina Partnership's basic financial statements, and have issued our report thereon dated May 1, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the North Carolina Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the North Carolina Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the North Carolina Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the North Carolina Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the North Carolina Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the North Carolina Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the North Carolina Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
