Financial Statement Audit Report

For the Year Ended June 30, 2024

State Auditor
Dave Boliek

*A Constitutional Office of the
State of North Carolina*

North Carolina Office of the State Auditor

Dave Boliek, State Auditor

Auditor's Transmittal

The Honorable Josh Stein, Governor
The Honorable Phil Berger, President Pro Tempore
The Honorable Destin Hall, Speaker of the House
Honorable Members of the North Carolina General Assembly
Board of Directors, Halifax Community College Foundation, Inc.
Dr. Jennifer Welch-Jones, Executive Director

As a 501(c)(3) tax-exempt organization, the Halifax Community College Foundation, Inc. is able to collect donations from the private sector and use those funds for initiatives including student financial aid programs.

Through financial audits of state entities, the North Carolina Office of the State Auditor assesses whether the records prepared are materially correct. Our audit of Halifax Community College Foundation, Inc.'s financial records show no material errors for the year ended June 30, 2024. The audited statements make for a clean opinion and can be relied upon by management.

I'd like to thank Halifax Community College Foundation, Inc. personnel for their assistance as our team conducted this financial statement audit.

Respectfully submitted,

Dave Boliek
State Auditor

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Halifax Community College Foundation, Inc. (Foundation), a component unit of Halifax Community College, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Foundation's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of Halifax Community College Foundation, Inc., as of June 30, 2024, and the changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (GAGAS), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

The Foundation's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for twelve months beyond the financial

statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and GAGAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and GAGAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of

inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 13, 2025 on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

Dave Boliek
State Auditor

Management's Discussion and Analysis

The information in this section is intended to provide a general overview of the Halifax Community College Foundation, Inc.'s (Foundation) financial statements and is based upon the information contained in the financial statements accompanying this discussion and analysis. The user is encouraged to reference the appropriate section of the financial statements for the supporting detailed information.

Overview of the Financial Statements

The Foundation's discussion and analysis provides a summary of its basic financial statements which include the Statement of Net Position; Statement of Revenues, Expenses, and Changes in Net Position; and Statement of Cash Flows. The Foundation had a total net position of \$2,595,984.57 at June 30, 2024.

The Statement of Net Position presents information on all of the assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position of the Foundation as of the end of the fiscal year. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Foundation is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position shows how the Foundation's net position changed during the most recent fiscal year. Revenues and expenses are presented in a format that distinguishes between operating and nonoperating revenues and expenses.

The Statement of Cash Flows provides information regarding the Foundation's cash receipts and cash payments during the reported period. This statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and financing activities. The statement reconciles the beginning cash on hand as of July 1, 2023, to the ending cash on hand as of June 30, 2024.

The Notes to Financial Statements provide additional information that is essential to a complete understanding of the data provided.

Financial Analysis

As noted earlier, net position can serve as a useful indicator of the Foundation's financial position. Net position for the Foundation increased by \$394,169.69 from the prior year. Other noncurrent assets increased \$388,922.95 primarily due to an increase in investments resulting from favorable market conditions.

Condensed Statement of Net Position			
	2024	2023	Increase (Decrease)
Assets			
Current	\$ 195,035.12	\$ 189,788.38	\$ 5,246.74
Other Noncurrent	2,400,949.45	2,012,026.50	388,922.95
Total Assets	2,595,984.57	2,201,814.88	394,169.69
Liabilities			
Current	\$ -	\$ -	\$ -
Net Position			
Restricted	2,476,222.91	2,089,524.53	386,698.38
Unrestricted	119,761.66	112,290.35	7,471.31
Total Net Position	\$ 2,595,984.57	\$ 2,201,814.88	\$ 394,169.69

The Statement of Revenues, Expenses, and Changes in Net Position presents information that reports how the Foundation's net position changed. The information presented is for fiscal years ending June 30, 2024 and June 30, 2023.

Operating revenues had a decrease of \$106,502.87 from the prior year which resulted from reduced contributions from private individuals and entities.

Operating expenses had an increase of \$46,541.99 from the prior year. Scholarships and fellowships awarded to the students of Halifax Community College remained comparable to prior year. Supplies and materials increased \$36,147.59 due to the College re-branding efforts and fundraising expenses and service expenses increased by \$12,610.79 due an increase in fundraising efforts.

Nonoperating revenues had an increase of \$112,027.32 from the prior year. Net investment income increased by \$73,027.32 due to favorable market conditions. Noncapital grants increased by \$39,000.00 for a re-branding grant from the Foundation for the Carolinas.

Other revenues had an increase of \$116,341.12 from the prior year. Additions to endowments increased by \$26,341.12 due to new endowment accounts established as well as a capital contribution of \$90,000.00 to increase the advanced manufacturing workforce sectors.

Total Expenses	\$ 127,711.45	\$ 81,169.46	\$ 46,541.99

Economic Forecast

The Foundation is optimistic about the future. The 2023-2024 academic year had many challenges, but our local community is supportive of Halifax Community College. Fundraising efforts for fiscal year 2025 includes an internal campaign with the goal of one hundred percent (100%) participation by the staff and faculty. The internal campaign, the Donor Recognition, Scholarship Awards Ceremony, Job Fair, Golf Tournament, Ride for a Cause, and the Community Progressive Awards Gala are annual events.

Tuition at Halifax Community College is modest by some standards but for many of our students it presents a barrier to completing their educational goals. Our donors realize this and have one important thing in common, they feel deeply about the future of the Roanoke Valley and invest their resources into the lives of others. They know that dollars invested into an education at Halifax Community College will earn big dividends. Recipients complete their education, join the workforce, and become leaders of our community.

Request for Information

This financial report is designed to provide an overview of Halifax Community College Foundation Inc.'s finances. Questions concerning any of this information should be addressed to the Executive Director of the Foundation, Halifax Community College Foundation, Inc., 100 College Drive, Weldon, NC 27890, (252) 536-7280.

Notes to the Financial Statements

Note 1 - Significant Accounting Policies

A. Financial Reporting Entity - The Halifax Community College Foundation, Inc. (Foundation), a component unit of Halifax Community College (College), is a North Carolina nonprofit corporation organized to benefit the College through administration of contributions. The Foundation is governed by a twelve-member board consisting of one ex-facto director and eleven elected directors. The Foundation's purpose is to aid, support, promote teaching, research, and service in the various educational, scientific, scholarly, professional, artistic, and creative endeavors of the College. Because the directors of the Foundation are appointed by the members of the Halifax Community College Board of Trustees, and the Foundation's sole purpose is to benefit the College, its basic financial statements are blended with those of the College in the College's financial report. The College is a component unit of the State of North Carolina and an integral part of the State's *Annual Comprehensive Financial Report*.

B. Basis of Presentation - The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB). Pursuant to the provisions of GASB Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*, as amended by GASB Statement No. 35, *Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities* and GASB Statement No. 84, *Fiduciary Activities*, the full scope of the Foundation's activities is considered to be a single business-type activity and accordingly, is reported within a single column in the basic financial statements.

C. Basis of Accounting - The financial statements of the Foundation have been prepared using the economic resource measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred, regardless of the timing of the cash flows.

Nonexchange transactions, in which the Foundation receives (or gives) value without directly giving (or receiving) equal value in exchange, include both monetary and in-kind donor contributions. Revenues are recognized, net of estimated uncollectible amounts, as soon as all eligibility requirements imposed by the provider have been met, if probable of collection.

D. Cash and Cash Equivalents - This classification includes cash on deposit with private bank accounts.

E. Investments - To the extent available, investments are reported at fair value based on quoted market prices in active markets on a trade-date basis. Additional information regarding the fair value measurement of investments is disclosed in Note 3. Because of the inherent uncertainty in the use of estimates, values that are based on estimates may differ from the values that would have been used had a ready market existed for the investments. The net change in the value of investments is recognized as a component of investment income.

F. Restricted Assets - Certain resources are reported as restricted assets because restrictions on asset use change the nature or normal understanding of the availability of the asset. Resources that are not available for current operations and are reported as

restricted include resources whose use is limited by external parties or statute, and endowment and other restricted investments.

G. Net Position - The Foundation's net position is classified as follows:

Restricted Net Position - Nonexpendable - Nonexpendable restricted net position includes endowments and similar type assets whose use is limited by donors or other outside sources, and, as a condition of the gift, the principal is to be maintained in perpetuity.

Restricted Net Position - Expendable - Expendable restricted net position includes resources for which the Foundation is legally or contractually obligated to spend in accordance with restrictions imposed by external parties.

Unrestricted Net Position - Unrestricted net position includes resources derived from unrestricted gifts and interest income.

Restricted and unrestricted resources are tracked using a fund accounting system and are spent in accordance with established fund authorities. Fund authorities provide rules for the fund activity and are separately established for restricted and unrestricted activities. When both restricted and unrestricted funds are available for expenditure, the decision for funding is transactional based within the departmental management system in place at the Foundation.

H. Revenue and Expense Recognition - The Foundation classifies its revenues and expenses as operating or nonoperating in the accompanying Statement of Revenues, Expenses, and Changes in Net Position. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Foundation's principal ongoing operations. Operating revenues include activities that have characteristics of exchange transactions, such as contributions from private individuals and entities. Operating expenses are all expense transactions incurred other than those related to capital and noncapital financing or investing activities as defined by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*.

Nonoperating revenues include activities that have the characteristics of nonexchange transactions. Revenues from nonexchange transactions that represent subsidies or investment income, are considered nonoperating since these are either investing, capital, or noncapital financing activities. Capital contributions are presented separately after nonoperating revenues and expenses.

Note 2 - Deposits and Investments

A. Deposits - At June 30, 2024, the Foundation's total deposits with a private banking institution had a carrying value of \$363,448.49 and a bank balance of \$363,948.49.

Custodial credit risk is the risk that in the event of a bank failure, the Foundation's deposits may not be returned to it. The Foundation does not have a deposit policy for custodial credit risk. As of June 30, 2024, the Foundation's bank balance in excess of the Federal

Depository Insurance Corporation (FDIC) coverage is \$113,948.49 and is uninsured and uncollateralized.

- B. Investments** - Investments of the Foundation are subject to and restricted by G.S. 36E Uniform Prudent Management of Institutional Funds Act (UPMIFA) and any requirements placed on them by contract or donor agreements.

The following table presents the investments by type and investments subject to interest rate risk at June 30, 2024, for the Foundation's investments. Interest rate risk is defined by GASB Statement No. 40, *Deposit and Investment Risk Disclosures – An Amendment of GASB Statement No.3*, as the risk a government may face should interest rate variances affect the value of investments. The Foundation does not have a formal investment policy that addresses interest rate risk.

Investments					
Investment Type	Amount	Investment Maturities (in Years)			
		Less Than 1	1 to 5	6 to 10	More than 10
Debt Securities					
Debt Mutual Funds	\$ 754,437.53	\$ 10,115.57	\$ 280,329.53	\$ 292,624.67	\$ 171,367.76
Money Market Mutual Funds	128,814.06	128,814.06			
Total Debt Securities	883,251.59	\$ 138,929.63	\$ 280,329.53	\$ 292,624.67	\$ 171,367.76
Other Securities					
International Equity Funds	345,934.21				
US Equity Funds	1,001,040.90				
Total Investments	\$ 2,230,226.70				

Credit Risk: Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Foundation does not have a formal policy that addresses credit risk. As of June 30, 2024, the Foundation's investments were rated as follows:

	Amount	AAA Aaa	AA Aa	A	BBB Baa	Unrated
Debt Mutual Funds	\$ 754,437.53	\$ 63,878.39	\$ 511,302.75	\$ 86,981.55	\$ 92,203.31	\$ 71.53
Money Market Mutual Funds	128,814.06	128,814.06	-	-	-	-
Totals	\$ 883,251.59	\$192,692.45	\$ 511,302.75	\$86,981.55	\$ 92,203.31	\$ 71.53

Rating Agency: Morningstar

Note 3 - Fair Value Measurements

To the extent available, the Foundation's investments are recorded at fair value as of June 30, 2024. GASB Statement No. 72, *Fair Value Measurement and Application*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This statement establishes a hierarchy of valuation inputs based on the extent to which the inputs are observable in the marketplace. Inputs are used in applying the various valuation techniques and take into

account the assumptions that market participants use to make valuation decisions. Inputs may include price information, credit data, interest and yield curve data, and other factors specific to the financial instrument. Observable inputs reflect market data obtained from independent sources. In contrast, unobservable inputs reflect the entity's assumptions about how market participants would value the financial instrument. Valuation techniques should maximize the use of observable inputs to the extent available.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following describes the hierarchy of inputs used to measure fair value and the primary valuation methodologies used for financial instruments measured at fair value on a recurring basis:

Level 1	Investments whose values are based on quoted prices (unadjusted) for identical assets in active markets that a government can access at the measurement date.
Level 2	Investments with inputs - other than quoted prices included within Level 1 - that are observable for an asset, either directly or indirectly.
Level 3	Investments classified as Level 3 have unobservable inputs and may require a degree of professional judgment.

The following table summarizes the Foundation's investments, within the fair value hierarchy at June 30, 2024:

	Fair Value	Fair Value Measurements Using		
		Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Investments by Fair Value Level				
Debt Securities				
Debt Mutual Funds	\$ 754,437.53	\$ 754,437.53	\$ -	\$ -
Money Market Mutual Funds	128,814.06	128,814.06	-	-
Total Debt Securities	883,251.59	883,251.59	-	-
Other Securities				
International Mutual Funds	345,934.21	345,934.21	-	-
Equity Mutual Funds	1,001,040.90	1,001,040.90	-	-
Total Investments by Fair Value Level	<u>\$ 2,230,226.70</u>	<u>\$ 2,230,226.70</u>	<u>\$ -</u>	<u>\$ -</u>

Debt and Equity Securities - Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities.

Note 4 - Endowment Investments

Investments of the Foundation's endowment funds are pooled, unless required to be separately invested by the donor. If a donor has not provided specific instructions, state law permits the Board of Directors to authorize for expenditure the net appreciation, realized and unrealized, of the investments of the endowment funds. Under the Uniform Prudent Management of Institutional Funds Act (UPMIFA), authorized by the North Carolina General Assembly on March 19, 2009, the Board may also appropriate expenditures from eligible

nonexpendable balances if deemed prudent and necessary to meet program outcomes and for which such spending is not specifically prohibited by the donor agreements. However, a majority of the Foundation's endowment donor agreements prohibit spending of nonexpendable balances and therefore the related nonexpendable balances are not eligible for expenditure. During the year, the Board did not appropriate expenditures from eligible nonexpendable endowment funds.

Investment return of the Foundation's endowment funds is predicated under classical trust doctrines. Unless the donor has stipulated otherwise, capital gains and losses are accounted for as part of the endowment principal and are not available for expenditure. Annual payouts from the Foundation's endowment funds are based on a fixed percentage of the three year rolling average of the market value of the endowment at the fiscal year-end. The payout rate is currently 3% of the three year rolling average. At June 30, 2024, net appreciation of \$45,667.00 was available to be spent, of which all was classified in net position as restricted - expendable - student financial aid as it is restricted for specific purposes.

Note 5 - Related Party Transactions

During the year ended June 30, 2024, members of the Foundation's Board of Directors made contributions to the Foundation totaling \$4,425.00. The Halifax Community College's Board of Trustees contributed \$2,030.00.

Note 6 - Contributed Facilities and Services

The Foundation, without cost, occupies and uses certain premises, furnishings, and equipment owned by the College. The estimated fair values of these premises, furnishings, and equipment have not been included in the financial statements. In addition, the Foundation also receives, without cost, management and accounting services provided by the College. The value of these contributed services has not been included in the accompanying financial statements.

Note 7 - Risk Management

The Foundation is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions, injuries to employees; and natural disasters. These exposures to loss are handled via a combination of methods, including participation in state-administered insurance programs, purchase of commercial insurance, and self-retention of certain risks. There have been no significant reductions in insurance coverage from the previous year and settled claims have not exceeded coverage in any of the past three fiscal years.

Details of the Foundation's risk management programs are disclosed in the College's separate financial statements, which may be obtained from the College Controller's Office, Halifax Community College, PO Drawer 809, Weldon, NC 27890 or by calling (252) 538-4304.

Independent Auditor's Report

North Carolina Office of the State Auditor

Dave Boliek, State Auditor

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Board of Directors
Halifax Community College Foundation, Inc.
Weldon, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Halifax Community College Foundation, Inc. (Foundation), a component unit of Halifax Community College, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Foundation's basic financial statements, and have issued our report thereon dated May 13, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Foundation's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
