RE: State Grants from the Department of Health and Human Services  
State Fiscal Year 2005, \$62,951,  
State Fiscal Year 2006, \$66,027.

Dear Ms. Turner:

We have completed an examination of grant funds, encompassing certain procedures<sup>1</sup> as described below. This examination related to management of state grant funds by Primary Colors Day Care Center and was conducted on July 25, 2007. Our objective was to identify whether or not deficiencies in internal control, instances of noncompliance with laws, regulations, and/or deficiencies in the management of financial resources existed. In addition to the fiscal years listed above, we also reviewed documentation for the current 2007 fiscal year. North Carolina statutes authorize the Office of the State Auditor to have ready access to all records related to State and Federal funds. See N.C.G.S. § 147-64.7(a).

Our procedures included, but were not limited to, interviewing personnel; examining accounting and other grant records for the purpose of identifying state grant transactions; reviewing available policies and procedures; and reviewing available board minutes.

The results of the examination conducted on July 25, 2007 did not disclose internal control deficiencies, instances of noncompliance and/or other matters of concern. Since no significant matters of concern were detected, we do not require a response from your entity.

<sup>1</sup> These procedures do not constitute an audit, examination, or a review as described in professional standards governing those types of services. Furthermore, our procedures were not agreed upon by you or any third party. Our procedures do not provide a basis for providing any level of assurance regarding internal control, compliance or financial management and should not be relied upon for that purpose.
