# **AUDITOR'S TRANSMITTAL**

The Honorable Michael F. Easley, Governor The General Assembly of North Carolina Board of Directors, Wilkes County Partnership for Children

This report presents the results of the financial statement audit of the Wilkes County Partnership for Children for the year ended June 30, 2001. Crisp Hughes Evans LLP performed the audit under contract with the Office of the State Auditor, and their report is submitted herewith.

The audit of the Wilkes County Partnership for Children was made in conjunction with the Early Childhood Initiatives (Smart Start) program authorized by G.S. 143B-168.10-.16. This statute created the North Carolina Partnership for Children, Inc. and required the implementation of local partnerships. The Wilkes County Partnership for Children is one of these local partnerships. As such, the Wilkes County Partnership for Children is a private nonprofit 501(c)(3) organization and is required by G.S. 143B-168.14 to have an annual financial and compliance audit conducted by the State Auditor. The State Auditor's authority to perform or coordinate all audit functions for state government is set forth in Article 5 of Chapter 147 of the North Carolina General Statutes.

The significant Smart Start expansion authorized in the 1998 fiscal year almost doubled the related audit burden placed on the Office of the State Auditor. Therefore, the General Assembly, in its 1998-99 Expansion Budget, gave recognition to the resources needed to provide the audit oversight required by statute. Those resources incorporated a combination of permanent positions and contract funding to make the Smart Start audit effort self-sustaining.

North Carolina General Statutes require the State Auditor to make audit reports available to the public. Copies of all audit reports issued by the Office of the State Auditor may be obtained through one of the options listed in the back of this report.

## INDEPENDENT AUDITORS' REPORT

Board of Directors Wilkes Community Partnership for Children North Wilkesboro, North Carolina

We have audited the accompanying Statement of Receipts, Expenditures, and Net Assets - Regulatory Basis of the Wilkes Community Partnership for Children (Wilkes Community Partnership) as of June 30, 2001, and the related Statement of Functional Expenditures - Regulatory Basis for the year then ended. These financial statements are the responsibility of the Wilkes Community Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying financial statements were prepared on the regulatory basis of accounting as prescribed by the North Carolina Partnership for Children, Inc., which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Wilkes Community Partnership for Children as of June 30, 2001, and the results of its operations for the year then ended, on the basis of accounting described in Note 1.

# INDEPENDENT AUDITORS' REPORT (CONCLUDED)

In accordance with *Government Auditing Standards*, we have also issued our report dated January 24, 2002 on our consideration of the Wilkes Community Partnership's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with the independent auditors' report in considering the results of our audit.

Our audit was made for the purpose of forming an opinion on the basic financial statements of the Wilkes Community Partnership for Children taken as a whole. The accompanying supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The information in these schedules has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the management of the partnership, the North Carolina Partnership for Children, Inc., the Governor, and the General Assembly and is not intended to be, and should not be, used by anyone other than these specified parties.

# WILKES COMMUNITY PARTNERSHIP FOR CHILDREN NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001

# NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- **A. Organization and Purpose** The Wilkes Community Partnership for Children (Wilkes Community Partnership) is a legally separate nonprofit organization incorporated on May 9, 1994. The Wilkes Community Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Wilkes Community Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- **B.** Basis of Presentation The accompanying financial statements present all funds for which the Wilkes Community Partnership's Board of Directors is responsible. In accordance with Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-For-Profit Organizations," the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Statement, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

The Wilkes Community Partnership did not have any temporarily or permanently restricted net assets at June 30, 2001.

C. Basis of Accounting - The accompanying financial statements were prepared on the regulatory basis of accounting as prescribed by the North Carolina Partnership for Children, Inc. This basis differs from accounting principles generally accepted in the United States of America, primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

## NOTE 2 - DEPOSITS

All funds of the Wilkes Community Partnership are deposited with two commercial banks and insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000 per bank. Deposits over this amount subject the Wilkes Community Partnership to a concentration of credit risk.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

The Wilkes Community Partnership has an Automated Investment Plan to invest excess balances over an established target amount. The investment is in the bank's federal agency securities and is not insured by the FDIC. Consequently, the Wilkes Community Partnership bank deposits in excess of the FDIC insured limit totaled \$85,501 at June 30, 2001.

## NOTE 3 - FUNDING FROM GRANT AWARDS

**Smart Start Program** - The Wilkes Community Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with the North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start Program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Wilkes Community Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Wilkes Community Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Wilkes Community Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Wilkes Community Partnership was awarded and has received \$1,621,416 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. The Partnership has returned \$19,715 of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2001.

The Partnership expects to receive continued funding through new Smart Start contracts with the State.

# NOTE 4 - RELATED PARTY TRANSACTIONS

- A. Service Provider Contracts with Board Member Organizations The board members of the Wilkes Community Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Wilkes Community Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Partnership's Smart Start Allocation.
- **B.** Other Related Parties The Wilkes Community Partnership entered into transactions for contracted services with a private business associated with board members of the Partnership. The amounts paid included:

<u>Expenditures</u>	 Amount

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Wilkes Community Partnership for Children North Wilkesboro, North Carolina

We have audited the financial statements of the Wilkes Community Partnership for Children (Wilkes Community Partnership) as of and for the year ended June 30, 2001, and have issued our report thereon dated January 24, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## Compliance

As part of obtaining reasonable assurance about whether the Wilkes Community Partnership's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

# Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Wilkes Community Partnership's internal control over financial reporting in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable

condition. A reportable condition involves a matter coming to our attention relating to a significant deficiency in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Wilkes Community Partnership's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. This reportable condition noted as a result of our audit is described in the Audit Findings and Recommendations section of this report:

# **Finding**

#### 1 FINANCIAL PRESENTATION

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we consider the reportable condition described above to be a material weakness.

We also noted other matters involving issues of a management control nature that are described in the Audit Findings and Recommendations section of this report.

This report is intended solely for the information and use of the management of the Partnership, the North Carolina Partnership for Children, the Governor, and the General Assembly and is not intended to be, and should not be, used by anyone other than these specified parties.

## **AUDIT FINDINGS AND RECOMMENDATIONS**

**Findings and Recommendations from the Current Audit** - The following presents a finding and recommendation, determined during the current audit, which represents a significant deficiency in internal controls.

# 1. FINANCIAL PRESENTATION

The financial presentation for the Wilkes Community Partnership was misstated, resulting in 14 audit adjustments.

- Net asset balances were off by \$4,175 (net), primarily due to prior audit entries not being posted. This was the second straight year that these entries had not been posted.
- Cash balances in total tied to reconciled bank balances; however, cash balances in the individual funds were misstated.
- Improper use of the North Carolina Partnership for Children's (NCPC) standard chart of accounts. All balance sheet accounts should be assigned a "0001" purpose service code (PSC). Many balance sheet accounts had a "0000" PSC.
- Errors in coding non-smart start expenditures. Non-smart start expenditures were assigned a "9200" PSC. This code is designated for fundraising activities.

During the audit, we met with the MAC accountant to discuss some of these issues. The MAC accountant stated the prior audit entries had been entered but the MIP software did not post the adjustments.

Recommendation: The Wilkes Community Partnership should establish and implement proper procedures for the classification and review of transactions to ensure that transactions are properly recorded.

Partnership's Response: The Wilkes Community Partnership's contract manager and MAC accountant will closely review and develop a monthly reporting system to the executive director for review of:

- Audit entries posted and dated.
- Cash balance checklist for each fund established.
- Review of purpose service code balance sheet

The executive director will review all coding to ensure proper coding on expenditures.

These changes have been updated in the cash management and financial programs and grants sections of the policies and procedures manual.

# **AUDIT FINDINGS AND RECOMMENDATIONS (CONTINUED)**

**Other observations and recommendations** - The conditions and recommendations described below are not considered by us to be reportable conditions but are presented for your consideration to assist management in its day to day operations.

## **PAYROLL**

The Wilkes Community Partnership did not reconcile its quarterly payroll reports (Form 941) to salaries and wages recorded in the general ledger. The purpose of the reconciliation is to ensure that the gross wage and employer FICA totals reflected on the quarterly payroll report are in agreement with the applicable general ledger accounts.

We recommend the Wilkes Community Partnership reconcile salaries recorded in the general ledger to the quarterly payroll report each quarter.

Partnership's Response: The Wilkes Community Partnership's contract manager and MAC accountant will check each payroll to reconcile salaries as recorded in the general ledger and sign and date each salary sheet.

These changes have also been updated in the payroll section of the policies and procedures manual.

# **FUND ACCOUNTING**

The trial balances provided to us for this year's audit contained over 50 funds. Some funds had very little or no activity. One of the principles of fund accounting is to maintain the fewest number of funds possible.

We recommend the Wilkes Community Partnership review all funds and close out all inactive and extraneous funds.

Partnership's Response: The fund accounting recommendation has been addressed in the response to the financial presentation comment.
