AUDITOR'S TRANSMITTAL

The Honorable Michael F. Easley, Governor The General Assembly of North Carolina Board of Directors, Robeson County Partnership For Children

This report presents the results of the financial statement audit of Robeson County Partnership for Children (Robeson Partnership) for the year ended June 30, 2006. Tichenor & Associates, LLP performed the audit under contract with the Office of the State Auditor, and their report is submitted herewith.

The audit of the Robeson Partnership was made in conjunction with the Early Childhood Initiatives (Smart Start) program authorized by G.S. 143B-168.10-16. This statute created The North Carolina Partnership for Children, Inc., and required the implementation of local partnerships. The Robeson Partnership is one of these local partnerships. As such, the Robeson Partnership is a private nonprofit 501(c)(3) organization and is required by G.S. 143 B-168.14 to have an annual financial and compliance audit conducted by the State Auditor. The State Auditor's authority to perform or coordinate all audit functions for State government is set forth in Article 5 of Chapter 147 of the *North Carolina General Statutes*.

North Carolina General Statutes require the State Auditor to make audit reports available to the public. Copies of audit reports issued by the Office of the State Auditor may be obtained through one of the options listed in the back of this report.

INDEPENDENT AUDITOR'S REPORT

Board of Directors Robeson County Partnership For Children Lumberton, North Carolina

We have audited the accompanying Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis of the Robeson County Partnership for Children (Robeson Partnership) as of June 30, 2006, and the related Statement of Functional Expenditures – Modified Cash Basis for the year then ended. These financial statements are the responsibility of the Robeson Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Robeson County Partnership For Children as of June 30, 2006, and the results of its operations arising from modified cash basis transactions for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2006, on our consideration of the Robeson Partnership's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or

on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Robeson County Partnership for Children's basic financial statements. The information in Schedules 1, 3, 4, and 5 is presented for purposes of additional analysis and is not a required part of the basic financial statements. These have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The information in Schedule 2 has not been subjected to the auditing procedures applied in the basic financial statements and, accordingly, we express no opinion on Schedule 2.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- **A. Organization and Purpose** The Robeson County Partnership for Children (Robeson Partnership) is a legally separate nonprofit organization incorporated on June 18, 1998. The Robeson Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Robeson Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- **B.** Basis of Presentation The accompanying financial statements present all funds for which the Robeson Partnership's Board of Directors is responsible. Pursuant to the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-For-Profit Organizations*, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Statement, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

Contributions that are temporarily restricted and not expended within the year received are reported as an increase in temporarily restricted net assets. When the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Receipts, Expenditures, and Net Assets as net assets released from restrictions.

The Robeson Partnership did not have any permanently restricted net assets at June 30, 2006.

C. Basis of Accounting - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. Amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. In addition, Smart Start funds advanced to the local Partnership that are unexpended and unearned at year-end are recorded as a Due to the State.

- **D.** Cash and Cash Equivalents This classification appears on the Statement of Receipts, Expenditures, and Net Assets Modified Cash Basis and includes all demand and savings accounts and certificate of deposits or short-term investments with an original maturity of three months or less.
- **E. Refunds Due From Contractors** Refunds due from contractors represent the unexpended amount of advances to contractors at year-end that are to be refunded back to the State. As recoveries are collected, the receivable balance is reduced. Payments to the State for the recovered advances are recorded as a reduction to the State awards balance.
- **F. Due to the State** The funding provided by the State of North Carolina for the Smart Start program is funded on a cost reimbursement basis. The money is earned to the extent of allowable costs incurred. Any unexpended funds as of June 30 are required to be reverted to The North Carolina Partnership for Children, Inc. to be returned to the State of North Carolina.
- **G. Funds Held For Others** Funds held for others includes amounts received that are fiduciary in nature in which the Robeson Partnership acts in an agency capacity. For the year ended, the Robeson Partnership was holding amounts due employees in the amount of \$684 and rental deposits made in the amount of \$1,220, for a net amount of \$536.
- **H. Property and Equipment** Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year occurred. However, Robeson Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 4 of this report. The Robeson Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2006. Donated items are recorded at estimated fair market value at the date of donation.
- **I. Compensated Absences** As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences

are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 9.

J. Use of Estimates - The preparation of financial statements in conformity with the modified cash basis of accounting used by the Robeson Partnership requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.

NOTE 2 - DEPOSITS

All funds of the Robeson Partnership are deposited with a commercial bank and insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. Deposits over this amount subjects the Robeson Partnership to a concentration of credit risk. At June 30, 2006, the Robeson Partnership's bank deposits was not in excess of the FDIC insured limit.

NOTE 3 - FUNDING FROM GRANT AWARDS

Smart Start Program - The Robeson Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start Program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Robeson Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Robeson Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the North Carolina Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Robeson Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Robeson Partnership was awarded and has received \$2,653,598 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. The Robeson Partnership has

returned \$45,521 of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2006.

The Robeson Partnership expects to receive continued funding through new Smart Start contracts with the State.

NOTE 4 - RELATED PARTY TRANSACTIONS

The board members of the Robeson Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Robeson Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Robeson Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Robeson Partnership's Smart Start Allocation.

NOTE 5 - FUNCTIONAL EXPENDITURES

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis. Also, the Statement of Functional Expenditures – Modified Cash Basis, provides detail of the functional costs by their natural classification. Following are the services associated with the functional categories presented in the accompanying financial statements and the methods utilized to allocate joint cost:

The match is comprised of both cash and in-kind amounts. Only in-kind contributions that are verifiable, quantifiable, and related to the Smart Start Program can be applied to the in-kind match requirement, including volunteer services. The law allows for volunteer services to be valued for match purposes, a concept that deviates from generally accepted accounting principles. This schedule identifies those amounts allowable for this partnership in meeting the statewide match requirement.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Robeson County Partnership For Children Lumberton, North Carolina

We have audited the financial statements of the Robeson County Partnership for Children (Robeson Partnership) as of and for the year ended June 30, 2006, and have issued our report thereon dated November 16, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Robeson Partnership's internal control over financial reporting in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONCLUDED)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Robeson Partnership's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management of the Robeson Partnership, The North Carolina Partnership for Children, Inc., the Governor, and the General Assembly and is not intended to be and should not be used by anyone other than these specified parties.
