INDEPENDENT AUDITOR'S REPORT

Board of Directors Onslow County Partnership for Children, Inc. Jacksonville, North Carolina

We have audited the accompanying Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis of Onslow County Partnership for Children, Inc. (Onslow Partnership) as of June 30, 2006, and the related Statement of Functional Expenditures – Modified Cash Basis for the year then ended. These financial statements are the responsibility of the Onslow Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of Onslow County Partnership for Children, Inc. as of June 30, 2006, and the results of its operations arising from modified cash basis transactions for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 2006, on our consideration of the Onslow Partnership's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT (CONCLUDED)

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Onslow County Partnership for Children, Inc.'s basic financial statements. The information in Schedules 1 through 5 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Schedules 1, 3, 4 and 5 have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The information in Schedule 2 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on Schedule 2.

The accompanying notes to the financial statements are an integral part of this statement.

ONSLOW COUNTY PARTNERSHIP FOR CHILDREN, INC. NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2006

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- **A.** Organization and Purpose The Onslow County Partnership for Children, Inc. (Onslow Partnership) is a legally separate nonprofit organization incorporated on June 26, 1998. The Onslow Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Onslow Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- **B.** Basis of Presentation The accompanying financial statements present all funds for which the Onslow Partnership's Board of Directors is responsible. Pursuant to the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-For-Profit Organizations, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Statement, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

Contributions that are temporarily restricted and not expended within the year received are reported as an increase in temporarily restricted net assets. When the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Receipts, Expenditures, and Net Assets as net assets released from restrictions.

The Onslow Partnership did not have any permanently restricted net assets at June 30, 2006.

C. Basis of Accounting - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. Amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. In addition, Smart Start funds advanced to the local Partnership that are unexpended and unearned at year-end are recorded as funds Due to the State.

- **D.** Cash and Cash Equivalents This classification appears on the Statement of Receipts, Expenditures, and Net Assets Modified Cash Basis and includes all demand and savings accounts and certificate of deposits or short-term investments with an original maturity of three months or less.
- **E.** Refunds Due From Contractors Refunds due from contractors represent the unexpended amount of advances to contractors at year-end that are to be refunded back to the State. As recoveries are collected, the receivable balance is reduced. Payments to the State for the recovered advances are recorded as a reduction to the State awards balance.
- **F. Due to the State** The funding provided by the State of North Carolina for the Smart Start program is funded on a cost reimbursement basis. The money is earned to the extent of allowable costs incurred. Any unexpended funds as of June 30 are required to be reverted to The North Carolina Partnership for Children, Inc. to be returned to the State of North Carolina.
- **G. Funds Held For Others** Funds held for others includes amounts received that are fiduciary in nature in which the Onslow Partnership acts in an agency capacity. For the year ended June 30, 2006, the Onslow Partnership was holding amounts withheld from employee paychecks for distribution to benefit accounts (403(b) plan and health insurance premiums).
- **H. Property and Equipment** Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year incurred. However, Onslow Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 4 of this report. The Onslow Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2006. Donated items are recorded at estimated fair market value at the date of donation.

- **I.** Compensated Absences As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 9.
- **J.** Use of Estimates The preparation of financial statements in conformity with the modified cash basis of accounting used by the Onslow Partnership requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.

NOTE 2 - DEPOSITS

All funds of the Onslow Partnership are deposited with a commercial bank and insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. Deposits over this amount subject the Onslow Partnership to a concentration of credit risk. At June 30, 2006, the Onslow Partnership's bank deposits were not in excess of the FDIC insured limit.

NOTE 3 - FUNDING FROM GRANT AWARDS

Smart Start Program – The Onslow Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start Program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Onslow Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Onslow Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the North Carolina Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Onslow Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Onslow Partnership was awarded and has received \$2,441,320 under a current year Smart Start contract with NCPC. The unexpended balance of this

contract is subject to reversion to the State. The Onslow Partnership has returned \$14,888 of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2006.

The Onslow Partnership expects to receive continued funding through new Smart Start contracts with the State.

Regional Child Care Resource & Referral Program (CCR&R) - The Onslow Partnership's other major source of revenue and support is from the North Carolina Department of Health and Human Services based on a costreimbursement pass-through contract with Martin/Pitt Partnership for Children, Inc. for the Regional Child Care Resource & Referral Program.

The Onslow Partnership was awarded and has received \$30,700 under a current year contract.

The Onslow Partnership expects to receive continued funding through new Regional Child Care Resource & Referral Program contracts with Martin/Pitt Partnership for Children, Inc.

Multi-County Accounting and Contracting – The Onslow Partnership also received revenue and support from the State of North Carolina for their participation in the Multi-County Accounting and Contracting Program. The unexpended balance of this contract is subject to reversion to the State. The Onslow Partnership was awarded and has received \$12,000 under a current year contract for the payment of administrative and accounting services. The Onslow Partnership expended the entire balance during the current year.

NOTE 4 - RELATED PARTY TRANSACTIONS

- A. Service Provider Contracts with Board Member Organizations The board members of the Onslow Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Onslow Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Onslow Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Onslow Partnership's Smart Start Allocation.
- **B.** Administrative Services The Onslow Partnership provided multicounty accounting and contracting services to nine local partnerships including the Onslow Partnership for the year ended June 30, 2006. The Onslow Partnership expects to continue providing these services through

June 30, 2007. Associated with these services, the following activities were recorded as other receipts in the accompanying financial statements:

Receipts	 Leases
Multi-County Accounting and Contracting Services	\$ 43,941

NOTE 5 - FUNCTIONAL EXPENDITURES

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis. Also, the Statement of Functional Expenditures – Modified Cash Basis, provides detail of the functional costs by their natural classification. Following are the services associated with the functional categories presented in the accompanying financial statements and the methods utilized to allocate joint cost:

A. Program Functions

Health and Safety - Used to account for service activities including prenatal/newborn services, child care health consultants, and special needs - early intervention services/special education.

Program Evaluation – Expenditures that are incurred to monitor the effectiveness and feasibility of Partnership activities and contract agencies to determine if the short-term and long-term goals are being achieved.

C. Allocation of Joint Costs

Expenditures benefiting more than one purpose were allocated as follows:

Salaries and Benefits - Direct allocation based on employee time reports.

NOTE 6 - LEASE OBLIGATIONS

Total Minimum Lease Payments	\$ 4,902

NOTE 7 - PENSION PLAN

IRC Section 403(b) Plan - All permanent employees who are at least half time can participate in a tax sheltered annuity plan created under Internal Revenue Code Section 403(b). The Plan is a defined contribution plan in which each employee of the Onslow Partnership, as a condition of employment, is

provided an individual annuity through an outside insurance company. The Onslow Partnership contributed up to 4% of gross wages for the year ended June 30, 2006. The employee's eligible contributions, made through salary reduction agreements, are exempt from federal and State income taxes until the annuity is received or the contributions are withdrawn. These Plans are exclusively for employees of universities and certain charitable and other nonprofit organizations. All costs of administering and funding these Plans are the responsibility of the Plan participants. The Onslow Partnership contributed \$18,606 for retirement benefits during the year.

NOTE 8 - RISK MANAGEMENT

The Onslow Partnership is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Onslow Partnership manages these various risks of loss as follows:

Type of Loss	Method Managed	Risk of Loss Retained
Torts, errors and omissions, health and life	Purchased commercial insurance	None
Workers Compensation – Employee injuries	Purchased commercial insurance	None
Physical property loss and natural disasters	Purchased commercial insurance	None

Management believes such coverage is sufficient to preclude any significant losses to the Onslow Partnership. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

NOTE 9 - COMMITMENTS AND CONTINGENCIES

Compensated Absences – As a result of the Onslow Partnership's use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation only; sick leave does not vest) and any employer-related costs earned and unpaid, are not reflected in the financial statements. Note: This schedule is presented in accordance with the program match requirement as provided for by North Carolina Session Law 2005-276, Section 10.64(c). The North Carolina Partnership for Children, Inc. and all local partnerships are required to match the total amount budgeted for the Smart Start Program in each fiscal year. The match is comprised of both cash and in-kind amounts. Only in-kind contributions that are verifiable, quantifiable, and related to the Smart Start Program can be applied to the in-kind match requirement, including volunteer services. The law allows for volunteer services to be valued for match purposes, a concept that deviates from generally accepted accounting principles. This schedule identifies those amounts allowable for this partnership in meeting the statewide match requirement.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Onslow County Partnership for Children, Inc. Jacksonville, North Carolina

We have audited the financial statements of Onslow County Partnership for Children, Inc. (Onslow Partnership) as of and for the year ended June 30, 2006, and have issued our report thereon dated December 14, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Onslow Partnership's internal control over financial reporting in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Onslow Partnership's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement

amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management of the Onslow Partnership, The North Carolina Partnership for Children, Inc., the Governor, and the General Assembly and is not intended to be and should not be used by anyone other than these specified parties.
