INDEPENDENT AUDITOR'S REPORT

Board of Directors
Tyrrell-Washington Partnership for Children, Inc.
Plymouth, North Carolina

We have audited the accompanying Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis of Tyrrell-Washington Partnership for Children, Inc. (Tyrrell-Washington Partnership) as of June 30, 2007, and the related Statement of Functional Expenditures – Modified Cash Basis for the year then ended. These financial statements are the responsibility of Tyrrell-Washington Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

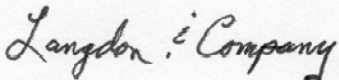

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of Tyrrell-Washington Partnership for Children, Inc. as of June 30, 2007, and its receipts and expenditures for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 6, 2007, on our consideration of Tyrrell-Washington Partnership's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT (CONCLUDED)

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Tyrrell-Washington Partnership for Children, Inc.'s basic financial statements. The information in Schedules 1 through 5 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Schedules 1, 3, 4 and 5 have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The information in Schedule 2 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on Schedule 2.

TYRRELL-WASHINGTON PARTNERSHIP FOR CHILDREN, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2007

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose - The Tyrrell-Washington Partnership for Children, Inc. (Tyrrell-Washington Partnership) is a legally separate nonprofit organization incorporated on March 1, 1994. The Tyrrell-Washington Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Tyrrell-Washington Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.

B. Basis of Presentation - The accompanying financial statements present all funds for which the Tyrrell-Washington Partnership's Board of Directors is responsible. Pursuant to the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-For-Profit Organizations*, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Statement, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

The Tyrrell-Washington Partnership did not have any temporarily or permanently restricted net assets at June 30, 2007.

C. Basis of Accounting - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. Amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. In addition, Smart Start funds advanced to the local Partnership that are unexpended and unearned at year end are recorded as funds Due to the State.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

- D. Cash and Cash Equivalents** - This classification appears on the Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis and includes all demand and savings accounts and certificate of deposits or short-term investments with an original maturity of three months or less.
- E. Refunds Due From Contractors** - Refunds due from contractors represent the unexpended amount of advances to contractors at year end that are to be refunded back to the State. As recoveries are collected, the receivable balance is reduced. Payments to the State for the recovered advances are recorded as a reduction to the State awards balance.
- F. Due to the State** - The funding provided by the State of North Carolina for the Smart Start program is funded on a cost reimbursement basis. The money is earned to the extent of allowable costs incurred. Any unexpended funds as of June 30 are required to be reverted to The North Carolina Partnership for Children, Inc. to be returned to the State of North Carolina.
- G. Property and Equipment** - Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year incurred. However, Tyrrell-Washington Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 4 of this report. The Tyrrell-Washington Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2007. Donated items are recorded at estimated fair market value at the date of donation.
- H. Compensated Absences** - As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 8.
- I. Use of Estimates** - The preparation of financial statements in conformity with the modified cash basis of accounting used by the Tyrrell-Washington Partnership requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

NOTE 2 - FUNDING FROM GRANT AWARDS

Smart Start Program - The Tyrrell-Washington Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start Program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Tyrrell-Washington Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Tyrrell-Washington Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the North Carolina Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Tyrrell-Washington Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Tyrrell-Washington Partnership was awarded and has received \$302,300 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. The Tyrrell-Washington Partnership has returned \$1,374 of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2007.

The Tyrrell-Washington Partnership expects to receive continued funding through new Smart Start contracts with the State.

Multi-County Accounting and Contracting - The Tyrrell-Washington Partnership also received revenue and support from the State of North Carolina for their participation in the Multi-County Accounting and Contracting Program. The unexpended balance of this contract is subject to reversion to the State. The Tyrrell-Washington Partnership was awarded and has received \$24,000 under a current year contract for the payment of administrative and accounting services. The Tyrrell-Washington Partnership returned \$194 of this contract to the State subsequent to June 30, 2007.

NOTE 3 - RELATED PARTY TRANSACTIONS

Service Provider Contracts with Board Member Organizations - The board members of the Tyrrell-Washington Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Tyrrell-Washington Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Tyrrell-

Washington Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Tyrrell-Washington Partnership's Smart Start Allocation.

NOTE 4 - FUNCTIONAL EXPENDITURES

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Receipts, Expenditures, and Net Assets – Modified Cash Basis. Also, the Statement of Functional Expenditures – Modified Cash Basis, provides detail of the functional costs by their natural classification. Following are the services associated with the functional categories presented in the accompanying financial statements and the methods utilized to allocate joint cost:

A. Program Functions

Child Care and Education Affordability - Used to account for service activities including pre-K/Preschool classes and part-day care programs.

Child Care and Education Quality - Used to account for service activities including child care resource and referral services and quality enhancement upgrades.

Family Support - Used to account for service activities including literacy projects and community outreach information and resources.

Health and Safety - Used to account for service activities including special needs – early intervention services/special education.

B. Support Functions

Management and General - Expenditures that are not identifiable with a single program or fund-raising activity but are indispensable to the conduct of those activities and to an organization's existence, including expenditures for the overall direction of the organization, its general board activities, business management, general recordkeeping, budgeting, and related purposes.

Program Evaluation - Expenditures that are incurred to monitor the effectiveness and feasibility of Partnership activities and contract agencies to determine if the short-term and long-term goals are being achieved.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

C. Allocation of Joint Costs

Expenditures benefiting more than one purpose were allocated as follows:

Salaries and Benefits - Direct allocation based on employee time reports.

Other Costs - Other costs including occupancy cost (rent, utilities and maintenance), supplies and materials, and communication costs (telephone, postage and printing) were allocated based on utilization data.

NOTE 5 - LEASE OBLIGATIONS

Operating Lease Obligations - Future minimum lease payments under noncancelable operating leases consist of the following at June 30, 2007:

<u>Fiscal Year</u>	<u>Operating Leases</u>
2008	\$ 8,676
2009	7,476
2010	<u>1,476</u>
Total Minimum Lease Payments	<u>\$ 17,628</u>

Rental expense for all operating leases during the year was \$9,093.

NOTE 6 - PENSION PLAN

Retirement Plans - The Tyrrell-Washington Partnership has a SIMPLE - IRA Plan covering all full-time and part-time employees. Each full-time and part-time employee of the Tyrrell-Washington Partnership has an option to participate in the Plan. An Individual Retirement Account is provided to the employee through an outside financial institution. The Tyrrell-Washington Partnership will match up to 3% of gross wages. If employees choose to participate, they are required to contribute to the plan in order to receive the employer contribution. The Tyrrell-Washington Partnership does not own the accounts nor is liable for any other cost other than the required contribution. The Tyrrell-Washington Partnership contributed \$3,027 for pension benefits during the year.

NOTE 7 - RISK MANAGEMENT

The Tyrrell-Washington Partnership is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions;

NOTES TO THE FINANCIAL STATEMENTS (CONCLUDED)

injuries to employees; employees' health and life; and natural disasters. The Tyrrell-Washington Partnership manages these various risks of loss as follows:

<u>Type of Loss</u>	<u>Method Managed</u>	<u>Risk of Loss Retained</u>
Torts, errors and omissions, health and life	Purchased commercial insurance	None
Workers Compensation - Employee injuries	Purchased commercial insurance	None
Physical property loss and natural disasters	Purchased commercial insurance	None

Management believes such coverage is sufficient to preclude any significant losses to the Tyrrell-Washington Partnership. There have been no claims filed in any of the past three fiscal years.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

- A. Compensated Absences** - As a result of the Tyrrell-Washington Partnership's use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation only; sick leave does not vest) and any employer-related costs earned and unpaid, are not reflected in the financial statements. The compensated absences commitment for vacation leave at June 30, 2007, is \$3,337. No funds or reservation of net assets has been made for this commitment.
- B. Commitments on Contracts** - The Tyrrell-Washington Partnership had outstanding commitments of \$114 on cost-reimbursement contracts that had not been paid at June 30, 2007.

The match is comprised of both cash and in-kind amounts. Only in-kind contributions that are verifiable, quantifiable, and related to the Smart Start Program can be applied to the in-kind match requirement, including volunteer services. The law allows for volunteer services to be valued for match purposes, a concept that deviates from generally accepted accounting principles. This schedule identifies those amounts allowable for this partnership in meeting the statewide match requirement.

**INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
Tyrrell-Washington Partnership for Children, Inc.
Plymouth, North Carolina

We have audited the financial statements of the Tyrrell-Washington Partnership for Children, Inc. (Tyrrell-Washington Partnership) as of and for the year ended June 30, 2007, and have issued our report thereon dated December 6, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Tyrrell-Washington Partnership's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tyrrell-Washington Partnership's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Tyrrell-Washington Partnership's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Tyrrell-Washington Partnership's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Tyrrell-Washington Partnership's financial statements that is more than inconsequential will not be prevented or detected by the Tyrrell-Washington Partnership's internal control.

**INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS (CONCLUDED)**

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Tyrrell-Washington Partnership's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tyrrell-Washington Partnership's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Tyrrell-Washington Partnership's Board of Directors, management of the Tyrrell-Washington Partnership, The North Carolina Partnership for Children, Inc., the Governor, and the General Assembly of North Carolina and is not intended to be and should not be used by anyone other than these specified parties.
