INDEPENDENT AUDITOR'S REPORT

Board of Directors Hoke County Partnership for Children and Families Raeford, North Carolina

We have audited the accompanying Statement of Receipts, Expenditures, and Net Assets - Modified Cash Basis of the Hoke County Partnership for Children and Families (Hoke Partnership) as of June 30, 2007, and the related Statement of Functional Expenditures - Modified Cash Basis for the year then ended. These financial statements are the responsibility of the Hoke Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Hoke County Partnership for Children and Families as of June 30, 2007, and its receipts and expenditures for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 1, 2008, on our consideration of the Hoke Partnership's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT (CONCLUDED)

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Hoke County Partnership for Children and Families' basic financial statements. The information in Schedules 1 through 5 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Schedules 1, 3, 4 and 5 have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The information in Schedule 2 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on Schedule 2.

HOKE COUNTY PARTNERSHIP FOR CHILDREN AND FAMILIES NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2007

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- **A.** Organization and Purpose The Hoke County Partnership for Children and Families (Hoke Partnership) is a legally separate nonprofit organization incorporated on October 17, 1994. The Hoke Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Hoke Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- **B.** Basis of Presentation The accompanying financial statements present all funds for which the Hoke Partnership's Board of Directors is responsible. Pursuant to the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-For-Profit Organizations, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Statement, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

Contributions that are temporarily restricted and not expended within the year received are reported as an increase in temporarily restricted net assets. When the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Receipts, Expenditures, and Net Assets as net assets released from restrictions.

The Hoke Partnership did not have any permanently restricted net assets at June 30, 2007.

C. Basis of Accounting - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. Amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. In addition, Smart Start funds advanced to the local Partnership that are unexpended and unearned at year-end are recorded as funds Due to the State.

- **D.** Cash and Cash Equivalents This classification appears on the Statement of Receipts, Expenditures, and Net Assets Modified Cash Basis and includes all demand and savings accounts and certificate of deposits or short-term investments with an original maturity of three months or less.
- **E. Refunds Due From Contractors** Refunds due from contractors represent the unexpended amount of advances to contractors at year-end that are to be refunded back to the State. As recoveries are collected, the receivable balance is reduced. Payments to the State for the recovered advances are recorded as a reduction to the State awards balance.
- **F. Due to the State** The funding provided by the State of North Carolina for the Smart Start program is funded on a cost reimbursement basis. The money is earned to the extent of allowable costs incurred. Any unexpended funds as of June 30 are required to be reverted to The North Carolina Partnership for Children, Inc. to be returned to the State of North Carolina.
- **G. Property and Equipment** Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year incurred. However, Hoke Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 4 of this report. The Hoke Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2007. Donated items are recorded at estimated fair market value at the date of donation.
- **H.** Compensated Absences As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 8.
- I. Use of Estimates The preparation of financial statements in conformity with the modified cash basis of accounting used by the Hoke Partnership requires management to make estimates and assumptions that affect

certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.

NOTE 2 - FUNDING FROM GRANT AWARDS

Smart Start Program - The Hoke Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start Program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Hoke Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Hoke Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area. During the year, the North Carolina Department of Health and Human Services (DHHS) entered into contracts with and made payments to service providers selected by the Hoke Partnership. These service provider contracts are not reflected on the accompanying financial statements. However, a summary of the service provider contracts entered into by DHHS is presented on Schedule 2 accompanying the financial statements.

The Hoke Partnership was awarded and has received \$1,225,701 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. The Hoke Partnership has returned \$4,687 of this contract to the State based on financial status reports submitted to NCPC subsequent to June 30, 2007.

The Hoke Partnership expects to receive continued funding through new Smart Start contracts with the State.

Multi-County Accounting and Contracting - The Hoke Partnership also received revenue and support from the State of North Carolina for their participation in the Multi-County Accounting and Contracting Program. The unexpended balance of this contract is subject to reversion to the State. The Hoke Partnership was awarded and has received \$12,000 under a current year contract for the payment of administrative and accounting services. The Hoke Partnership had no unexpended funds as of June 30, 2007.

NOTE 3 - RELATED PARTY TRANSACTIONS

- A. Service Provider Contracts with Board Member Organizations The board members of the Hoke Partnership are representative of various organizations that benefit from actions taken by the Board. It is the policy of the Hoke Partnership that board members not be involved with decisions regarding organizations they represent. During the year, the Hoke Partnership entered into contracts with board member organizations for program activities as identified on Schedule 1 accompanying the financial statements. In addition, Schedule 2 identifies contracts entered into by DHHS with board member organizations for activities funded by the Hoke Partnership's Smart Start Allocation.
- **B.** Other Related Parties The Hoke Partnership is party to a contract with the County of Hoke (County) for the lease of a recreational vehicle that is used as a mobile resource center. A representative from the County is a board member of the Hoke Partnership. The amounts paid included:

<u>Expenditures</u>	A	mount

Each full-time employee of the Hoke Partnership, as a condition of employment, is provided an Individual Retirement Account through an outside insurance company. The Hoke Partnership contributed 25% of gross wages for the period January 1, 2007, through June 30, 2007. Beginning July 1, 2007, the employer contribution was reduced to 10%. The Hoke Partnership does not own the accounts nor is liable for any other cost other than the required contribution. The Hoke Partnership contributed \$12,002 for pension benefits during the year.

contributions, made through salary reduction agreements, are exempt from federal and State income taxes until the annuity is received or the contributions are withdrawn. These Plans are exclusively for employees of universities and certain charitable and other nonprofit organizations. All costs of administering and funding these Plans are the responsibility of the Plan participants. No costs were incurred by the Hoke Partnership during 2007.

NOTE 7 - RISK MANAGEMENT

The Hoke Partnership is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Hoke Partnership manages these various risks of loss as follows:

<u>Type of Loss</u>	Method Managed	Risk of Loss Retained
Torts, errors and omissions, health and life	Purchased commercial insurance	None
Workers Compensation – Employee injuries	Purchased commercial insurance	None
Physical property loss and natural disasters	Purchased commercial insurance	None

Management believes such coverage is sufficient to preclude any significant losses to the Hoke Partnership. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

Compensated Absences - As a result of the Hoke Partnership's use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation only; sick leave does not vest) and any employer-related costs earned and unpaid, are not reflected in the financial statements. The compensated absences commitment for vacation leave at June 30, 2007, is \$2,159. No funds or reservation of net assets has been made for this commitment.

The match is comprised of both cash and in-kind amounts. Only in-kind contributions that are verifiable, quantifiable, and related to the Smart Start Program can be applied to the in-kind match requirement, including volunteer services. The law allows for volunteer services to be valued for match purposes, a concept that deviates from generally accepted accounting principles. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Hoke County Partnership for Children and Families Raeford, North Carolina

We have audited the financial statements of the Hoke County Partnership for Children and Families (Hoke Partnership) as of and for the year ended June 30, 2007, and have issued our report thereon dated February 1, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

As described in Note 1, the accompanying financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Hoke Partnership's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Hoke Partnership's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Hoke Partnership's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Hoke Partnership's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Hoke Partnership's financial statements that is more than inconsequential will not be prevented or detected by the Hoke Partnership's internal control.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONCLUDED)

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Hoke Partnership's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Hoke Partnership's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Hoke Partnership in a separate letter dated February 1, 2008.

This report is intended solely for the information and use of the Hoke Partnership's Board of Directors, management of the Hoke Partnership, The North Carolina Partnership for Children, Inc., the Governor, and the General Assembly of North Carolina and is not intended to be and should not be used by anyone other than these specified parties.
